Mr. Chris Brown,

As a current HVRP grant recipient, I would like to express support for the proposed HVRP Budget and Narrative Form. The standardized format is clear, practical, and aligns well with the reporting and compliance requirements under 2 CFR 200.403 and subpart E.

We appreciate the Department of Labor's effort to streamline the budgeting process and reduce administrative burden. Having a consistent structure improves efficiency and helps ensure accurate and compliant submissions.

Thank you,

Sarah Williams, AAS
