I volunteer in the AARP Taxaide program. I was forwarded an email inviting me to provide comments regarding form 13614, the Intake/Interview & Quality Review form we use in our program. Here's my input:

In question 4 under the **Additional Information and Questions Related to the Preparation of Your Return** section of the form (page 3), it would be nice if the taxpayer had a field to enter a date when they want the balance due debited from their bank account. We always have to go back and ask them if they select "Yes". It's an inconvenience to the tax preparer especially if we are not doing the taxpayers return face-to-face.
