Subject: RE: EIA-923 Attn: Sara Hoff

Hi Ms. Sipin

Sara is out this week. The federal register notice links to the proposed surveys which can be reviewed. The primary proposed change to the EIA-923 is to collect renewable generation on a monthly basis.

I hope this is responsive.

Importance: High

Good Morning Ms. Hoff,

EIA is requiring public comments by July 22, 2022 regrading the proposed changes to information collection.

On behalf of Chugach Electric, would you please let us know *what the proposed changes to the EIA-923 data collection* is so that we can accurately submit our comment(s). The May 23, 2022 article under *4(a) Proposed Changes to Information Collections* does not reference FORM EIA-923 Annual or Monthly.

Thank you
