EIAP Mentored Mock Review Feedback Survey Screenshots

Overview

This document contains screenshots of each page within the EIAP Mentored Mock Review Feedback survey. The page header containing the survey title is repeated on each page. To save space in this document, the header is omitted from Figures 2 – 18. The OMB number and expiration date are displayed at the top of the survey launch page (Figure 1), before the respondent accesses the first question in the survey.

OMB No.: 0925-0642
Expiration Date: 03/31/2026

Public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

EIAP Mentored Mock Review 2024 - Feedback Survey

Thank you for taking the time to provide your feedback regarding your EIAP Mentored Mock Review (MMR) experience. All questions are optional and you may exit the survey at any time. The information you provide will remain secure to the extent permitted by law – no individual responses will be shared with any CRCHD staff and your responses are not associated with your name. All information will be reported in aggregate and will be used to make improvements to the MMR in future sessions as appropriate and possible. If you have any questions you may contact Michelle Murray, at michelle.murray@luminacorps.com.

By continuing with this survey, you agree to participate in providing feedback related to the EIAP MMR sessions.
