Dear Ms. Preston, I am writing about the public comment time on Form 990.
!. I believe that all nonprofit organizations should be treated equally. The Second Amendment forbids the government making laws about religion. By giving churches and religious organizations the ability to not file, you are violating that Amendment.
2. It is in keeping with that Amendment that churches and religious organizations should conform to IRS regulations as do all other 501(c)(3) groups.
I thank you for your time and effort.

Respectfully Yours
Jesse S. Latner
