As the largest Americans abroad organization in the world with 200,000 members, Democrats Abroad is the official Democratic Party arm for the estimated 9 million Americans living outside the United States. Democrats Abroad appreciates the opportunity to comment, and we believe that there are sufficient grounds for the OMB Director to disapprove the renewal of authorization for FinCEN Form 114, the FBAR, pursuant to 44 USC §3507(h)(2) and to instruct the Agency to undertake a rulemaking to establish a more proportionate, better targeted, transparent, and effective collection of information. See attached letter.
