Dear Ms. Preston,

I am urging you to force churches to comply with 501(c)(3) of IRS Code.

As a former President of a non-profit organization we complied with the law.

The 990 form was a benefit to our members, donors, our organization and the public as well as you the IRS.

The 990 would be so helpful to church members.

All 501(c)(3) organizations should complete and file Form 990

So should churches!
