Subject:	Removal of the "number of times married" question from the ACS
Date:	Monday, May 06, 2013 11:52:35 AM

Dear Brian Harris-Kojetin:

I am writing to register my opposition to the removal of the "number of times married" question from the ACS. Please reconsider, as I belive this question helps provide useful insight into the structure of American families.

Regards,

Thom Walstrum
