Dear Ms. Preston,

I think that all non-profit organizations should be treated the same way. Currently the IRS singles out churches for privileged treatment by exempting them from the disclosure requirements all other 501(c)(3) organizations must comply with, or lose their exemption. Taxpayers, who are subsidizing tax-exempt groups, have a right to know what entities are exempt from taxation and to review general financial disclosures. The privilege of not being taxed must come with some measures of accountability.

Thank you for your consideration.
