Subject:	Unequal Form 990 reporting burden on secular non-profits and churches
Date:	Friday, September 11, 2015 7:08:02 PM

Please revise the regulations prescribing which organizations must submit Form 990 and which need not. If secular 501(c)3 organizations must, then churches should be required to as well. A lot of "churches" are getting away with robbery, including political activities.
Sincerely,

Clinton B. Walker
