Dear Resident:

The U.S. Constitution requires that a census of Puerto Rico be conducted every 10 years. It is important that everyone be counted, regardless of where they may be living at the time of the census. This **Individual Census Report** is to be used to count people who are currently living or staying in group quarters, such as college or university dormitories, nursing homes, group homes, emergency and transitional shelters for people experiencing homelessness, and other such locations.
