Request for Reconsideration after Final Action

TEAS - Version 7.1

GENERAL FORM INFORMATION:

- **TIMEOUT WARNING:** After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within the allotted time, your session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all information ready before you start.
- **DO NOT USE YOUR BROWSER BACK/FORWARD BUTTONS:** Use only the navigation buttons at the bottom of each page.
- **TIPS ON USING THIS FORM MOST EFFECTIVELY:** Click on any underlined (hyperlinked) terms for additional information.
- **REQUIRED FIELDS:** All have an **ASTERISK (*)**, and the form will not validate if these fields are not filled-out.

NOTE: Use this form only to file a Request for Reconsideration after issuance of a final Office action and before the deadline for filing a Request for Reconsideration does **not** extend the time for filing an appeal or other proper response to the final action. A Notice of Appeal must be filed separately to preserve your right to appeal the final refusal, if appropriate. See <http://estta.uspto.gov>. If you file a Notice of Appeal concurrently with a Request for Reconsideration, your application will be referred to the Trademark Trial and Appeal Board (TTAB) for appeal. The TTAB will: (1) acknowledge the appeal; (2) suspend further proceedings with respect to the appeal (including the applicant's brief; and (3) remand the application to the examining attorney for review of the Request for Reconsideration.

Also, do **NOT** use this form to respond to any actions mailed after the mark is published and/or registered, because the Intent-to-Use (ITU) and Registration units issue those actions, respectively. Visit the USPTO's website to [access forms for filing a Statement of Use/Amendment to a Statement of Use/Request for Extension of Time to File a Statement of Use](#).

TO ACCESS THE RESPONSE FORM:

STEP 1: CHECK STATUS.

To use this form, the "Current Status" of your application must be "A Final Action has been mailed (or emailed)." Use the [Trademark Status & Retrieval \(TSDR\)](#) to confirm the status before proceeding. If the application is not in the correct status, you must wait until the status is updated (usually 24 hours after receiving an email notice that an Office action has issued). Otherwise, you will receive an error message when you click the "Continue" button at the bottom of the page.

STEP 2: ENTER APPLICATION SERIAL NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.

* **Serial Number:** (Do not enter serial number if you are accessing your saved form.)

OR

To upload a previously saved form file, first review the [TEAS Help instructions for accessing previously saved data](#) and then use the **button below to access the form file saved on your computer.** **WARNING:** Failure to follow the TEAS Help instructions will result in the loss of your data.

Do **NOT** upload or attach any other file(s) (for example, a specimen or foreign registration certificate) using the button below. You must upload any other attachments within the proper section of the actual form, after answering "Yes" to the appropriate wizard question(s) on the next page.

STEP 3. REVIEW ALL QUESTIONS BELOW AND SELECT THE APPROPRIATE RADIO BUTTON. At least one answer must be blank.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. - likely to cause confusion with another mark(s)
 - merely descriptive (or generic) or deceptively misdescriptive
 - primarily merely a surname
 - geographically descriptive or geographically deceptively misdescriptive
 - deceptive
 - functional
 - multiple marks instead of a single mark
 - a protected symbol (e.g., a flag, the Red Cross)
 - used in a manner that would not be perceived as actually being a trademark/servicemark*

You must answer "Yes" to this question to [submit your arguments against the refusal](#), and if necessary, attach [supporting evidence](#), to convince the examining attorney to withdraw the refusal.

*NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2.

 - [submit a new or substitute specimen](#)
 - [submit a foreign registration certificate or proof of renewal of foreign registration](#)

*NOTE: To ADD a new class, answer "Yes" to #6, and to pay fee(s) for additional class(es), answer "Yes" to #7.

NOTE: You may only modify the identification of goods/services/collective membership organization to clarify or limit them; adding or broadening the scope of goods/services/collective membership organization is **not permitted.

Yes No

- 3. Do you need to add or delete (withdraw) any of the following:**
NOTE: ALL of the below will display within the "Additional Statement(s)" section of the form, *even when only one is appropriate and selected.*

- Disclaimer
- Colors claimed as feature of the mark
- Description of the mark (including nature and location of color(s), if appropriate)*

4. Do you need to submit a new drawing of the mark, either to [change the mark](#) itself or [submit a better quality image](#)?

NOTE: A material change to your mark is never permissible. Only minor changes in the mark are *sometimes* permitted. A drawing must be in a specific format.

CLASSIFICATION AND LISTING OF GOODS/SERVICES/COLLECTIVE MEMBERSHIP ORGANIZATION Amending the Original Class(es) in the Application

Enter information for the Original Class

Check here to delete the following class of goods/services/collective membership organization from your application. If checked, it is not the current class below.

Check here to modify the current classification number; listing of goods/services/the nature of the collective membership organization; date of basis; or to submit a substitute specimen, a foreign registration certificate, or proof of renewal of a foreign registration. If not checked, the current class below will be used.

Original International Class :

*International Class: (Enter class number 001- 045, A, B and 200)

*Listing of Goods/Services/Collective Membership Organization

[NOTE: Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/collective membership organization associated with the mark. Also, do not include any html or other programming code or language that may be used in the recitation of goods/recitation of services/description of the collective membership organization]. For more information about acceptable language for the USPTO's on-line [Goods and/or Services Manual](#). If entering multiple listings of goods/services, please separate with a semi-colon (;), NOT a comma (,).

WARNING: Your entry may NOT exceed the scope of your current identification. While you may modify the current listing to clarify, limit, or narrow the goods/services/the collective membership organization, you may NOT at this point ADD or BROADEN goods or services or otherwise amend the nature of the collective membership organization beyond the scope of that in the current identification. A new filing would be required to cover any new goods/services or to broaden the nature of the collective membership organization not within the scope of the current identification.

WARNING: Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, a lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which the mark is used, could jeopardize the validity of the resulting registration.

Filing Basis Section 1(a), Use in Commerce: *For all applications:* The mark is in use in commerce and was in use in commerce as of the date the provided specimen shows the mark in use in commerce (see specimen statement below). *For a collective trademark, collective service mark, certification mark, or certification mark application:* The applicant is exercising legitimate control over the use of the mark in commerce and was exercising the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant is not engaged in the production of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services certification standards of the applicant. **WARNING: If you filed your original application under Section 1(b), Intent to Use, do not use this filing basis and a specimen, unless responding to a specimen issue created by an already filed Allegation of Use. Otherwise, you must file the specific Allegation of Use (Statement of Use/Amendment to Allege Use). Filing an Allegation of Use is not a proper response to an Office action.**

"The substitute (or new, or originally submitted, if appropriate) specimen(s) was/were in use in commerce at least as early as the filing application" [for an application based on Section 1(a), Use in Commerce] OR "The substitute (or new, or originally submitted, if appropriate) was/were in use in commerce prior either to the filing of the Amendment to Allege Use or expiration of the filing deadline for filing a statement of use" [for an application based on Section 1(b) Intent-to-Use]. OR "The attached specimen is a true copy of the specimen that was originally submitted for an amendment to allege use, or statement of use" [for an illegible specimen]. The signatory being warned that willful false statements and the like may jeopardize the validity of the application and may result in the applicant's refusal to register the mark, or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of the application registration resulting therefrom, declares that all statements made of his or her own knowledge are true and all statements made on information believed to be true.

Filing Basis Section 1(b), Intent to Use: *For a trademark or service mark application:* The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods or services specified in the application; the applicant has a bona fide intention to use the mark in commerce as of the application filing date. *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

WARNING: Do NOT check the box to add a Section 1(b) filing basis if your goods/services/collective membership organization for this class of goods/services is not in use in commerce. Filing under Use and Intent to Use is not permitted for the same goods/services/collective membership organization. **Additional Filings:** Fee(s) will be required to file either the [Statement of Use form or Extension Request](#), prior to registration, after you begin using the mark in commerce.

Filing Basis Section 44(d), Priority based on foreign filing: *For a trademark or service mark application:* The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods/services specified in the application; the applicant has a bona fide intention to use the mark in commerce as of the application filing date; and the applicant asserts a claim of priority based upon a foreign application. *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce; the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date; and the applicant asserts a claim of priority based upon a foreign application. *For a certification mark application:* The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.

At this time, the applicant intends to rely on Section 44(e) as a basis for registration and requests that the application be suspended to await foreign registration. If ultimately the applicant does not rely on §44(e) as a basis for registration, a valid claim of priority may be retained.

At this time, the applicant has another basis for registration (Section 1(a) or Section 1(b)) and does NOT intend to rely on Section 44(e) as a basis for registration but is only asserting a valid claim of priority. The application should not be suspended to await the submission of the foreign registration.

Filing Basis Section 44(e), Based on Foreign Registration: *For all applications:* The applicant attaches a copy of the foreign registration certificate and renewal of such registration, and an English translation if such documents are in a foreign language. *For a trademark or service mark application:* The applicant believes the applicant is entitled to use the mark in commerce on or in connection with the goods/services specified in the application; the applicant has a bona fide intention to use the mark in commerce as of the application filing date. *For a collective trademark, collective service mark, collective membership mark, or certification mark application:* The applicant has a bona fide intention, and is entitled, to exercise legitimate control over the use of the mark in commerce; and the applicant had a bona fide intention, and was entitled, to exercise legitimate control over the use of the mark in commerce as of the application filing date. *For a certification mark application:* The applicant will not engage in the production or marketing of the goods/services to which the mark is applied, except to advertise or promote recognition of the certification program or of the goods/services that meet the certification standards of the applicant.
