

SURVEY OF CONSTRUCTION MULTIFAMILY BUILDINGS

Title 13 United States Code, Sections 131 and 182, authorizes the Census Bureau to conduct this collection and to request your voluntary assistance. The U.S. Census Bureau is required by Section 9 of the same law to keep your information confidential and can use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data. The eight-digit OMB number is 0607-0110 and appears in the upper right corner of this page. Without this approval, we cannot conduct this survey. We estimate this survey will take an average of 5 minutes to complete an interview. More information about this estimate and an address where you may write with comments is in the letter that accompanies this form.

TO BE COMPLETED BY CENSUS FIELD REPRESENTATIVE

SAMPLE FORM							Address or location of building		Builder/Owner	PSU
							Project Name		BPOID	
Building permit number	Permit Issued:	Month	Day	Year	Block	Lot	Serving post office, State, ZIP Code		RO

START_DATE	Month	Year																																																	
When did excavation start for the footings or foundation of this building?																																																			
EXCOMP_DATE	Month	Year																																																	
When do you expect at least half of the units to be available for occupancy?																																																			
COMP_DATE	Month	Year																																																	
When were half of the units in this building available for occupancy?																																																			
DEVELOPMENT																																																			
Will this building be in a development that is age-restricted?																																																			
1 <input type="checkbox"/> Yes																																																			
2 <input type="checkbox"/> No																																																			
MANUFACTURE																																																			
Will this building be –																																																			
1 <input type="checkbox"/> Modular?																																																			
2 <input type="checkbox"/> Panelized?																																																			
3 <input type="checkbox"/> Site built?																																																			
FRAMING																																																			
What primary material is being used for the structural framing of this building?																																																			
1 <input type="checkbox"/> Wood																																																			
2 <input type="checkbox"/> Steel																																																			
3 <input type="checkbox"/> Concrete/masonry other than insulated concrete forms																																																			
4 <input type="checkbox"/> Insulated concrete forms or SIP																																																			
5 <input type="checkbox"/> Other – Specify _____																																																			
TOTALSQFOOT																																																			
What will be the total square foot area of all floors in this building, excluding boiler rooms, garage space, etc.?																																																			

How many units will have –																																																			
no separate bedrooms (efficiency)?	_____	EFFICIENCY																																																	
one bedroom?	_____	ONE_BEDROOMS																																																	
two bedrooms?	_____	TWO_BEDROOMS																																																	
three or more bedrooms?	_____	THREE_BEDROOMS

BUILDINGS																																																			
Will this project be –																																																			
1 <input type="checkbox"/> Detached Housing Unit																																																			
2 <input type="checkbox"/> Stacked Building																																																			
3 <input type="checkbox"/> Side-by-Side Building																																																			
4 <input type="checkbox"/> Mixture of Units Building																																																			
5 <input type="checkbox"/> More than One Building - Skip to TOTAL_UNITS																																																			
BUILDING_UNITS																																																			
How many total housing units will there be in this building?																																																			

Skip to FLOORS																																																			
TOTAL_UNITS																																																			
How many total housing units will these buildings cover?																																																			

FLOORS																																																			
How many floors will be in this building, excluding the basement?																																																			

IF_ATTACHED																																																			
Will any of the units be attached side-by-side with no other units above or below?																																																			
1 <input type="checkbox"/> Yes																																																			
2 <input type="checkbox"/> No																																																			

PLEASE CONTINUE ON REVERSE SIDE

How many units will have –

one bathroom? **ONE_BATHROOMS**

one and a half bathrooms? **1_1/2_BATHROOMS**

two bathrooms or more? **TWO_BATHROOMS**

FIREPLACE

How many units will have a built-in fireplace?

In the instructions that accompany this form

LAUNDRY

What laundry facilities will this building have?

- 1 Individual washer/dryer connections in every unit
- 2 Shared laundry facilities
- 3 Both individual washer/dryer connections and shared laundry facilities
- 4 No shared laundry facilities or individual washer/dryer connections

HEATSYS

What type of heating system will be used in this building?

- 2 Air-source heat pump
- 3 Ground-source heat pump
- 4 Forced-air furnace
- 5 Hot water or steam
- 6 Electric baseboard
- 7 Fireplace with insert
- 8 Solid stove
- 9 Liquid stove
- 10 Passive Solar
- 11 No heat
- 12 Other - Specify

PRIMARYSOURCE

What principal energy source will be used for heating this building?

- 1 Electricity
- 2 Natural Gas
- 3 Bottled or liquefied Gas (including propane)
- 4 Oil (including heating oil or kerosene)
- 5 Wood (including pellets)
- 6 Solar
- 7 Coal
- 8 Other – Specify

AIRCONDITIONING

Will this building have air-conditioning?

- 1 Yes
- 2 No

OWNERSHIP

Will the units in this building be –

- 1 For rent?
- 2 For sale?

PARKING

Will this building be in a complex that has a parking garage?

- 1 Within the Building
- 2 Within the Complex
- 3 Both
- 4 Other/None
