

Q.1 **This questionnaire should be implemented on or before June 19, 2015. It contains 3 additional questions regarding the victim's recovery.**

Victims in these NEISS cases were reported to be under age 15, so a parent/guardian will be asked to complete the interview.

Bold type indicates what should be said to the respondent. Instructions for the interviewer will be prefaced by "Interviewer:" and given in non-bold type.

Do not read choices unless instructed to in the question. Never read the choice "Don't Know".

Before contacting the victim, please review the NEISS emergency room information for the case and complete the next 3 questions in advance of making the call. Please note the victim's name and use it to identify the victim throughout the interview.

Please maximize the Survey System window to view questions in the best formatting.
