## Note: The draft you are looking for begins on the next page. Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. Do not file draft forms and do not rely on draft forms, instructions, and publications for filing. We do not release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed-in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at IRS.gov/DraftForms and remain there after the final release is posted at IRS.gov/LatestForms. All information about all forms, instructions, and pubs is at IRS.gov/Forms.

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at IRS.gov/Form1040; the Pub. 501 page is at IRS.gov/Pub501; the Form W-4 page is at IRS.gov/W4; and the Schedule A (Form 1040/SR) page is at IRS.gov/ScheduleA. If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at IRS.gov/FormsComments. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click here.
