

Purpose of the Meeting: The NGAC provides advice and recommendations related to management of Federal and national geospatial programs, the development of the National Spatial Data Infrastructure (NSDI), and the implementation of the Geospatial Data Act of 2018 (GDA) and the Office of Management and Budget Circular A-16. The NGAC reviews and comments on geospatial policy and management issues and provides a forum to convey views representative of non-federal stakeholders in the geospatial community. The NGAC meeting is one of the primary ways that the FGDC collaborates with its broad network of partners. Additional information about the NGAC meeting is available at: www.fgdc.gov/ngac.

Agenda Topics:

- FGDC Update
- Landsat Advisory Group
- 3D Elevation Program
- GDA Reporting
- GDA Implementation
- Geospatial Excellence and Innovation
- NSDI Strategic Plan/Integrated Geospatial Information Framework
- Public Comment

The meeting is open to the public and will take place from 1 p.m. to 5 p.m. on April 11, 2023, and from 1 p.m. to 5 p.m. April 12, 2023 (Eastern Standard Time). Members of the public wishing to attend the meeting should visit www.fgdc.gov/ngac or contact Mr. John Mahoney (see **FOR FURTHER INFORMATION CONTACT**). Webinar/conference line instructions will be provided to registered attendees prior to the meeting.

Meeting Accessibility/Special Accommodations: Please make requests in advance for sign-language interpreter services, assistive listening devices, or other reasonable accommodations. We ask that you contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice at least seven (7) business days prior to the meeting to give the Department of the Interior sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

Individuals in the United States who are deaf, blind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

Public Disclosure of Comments: There will be an opportunity for public comment during both days of the

meeting. Depending on the number of people who wish to speak and the time available, the time for individual comments may be limited. Written comments may also be sent to the Committee for consideration. To allow for full consideration of information by Committee members, written comments must be provided to John Mahoney (see **FOR FURTHER INFORMATION CONTACT**) at least three (3) business days prior to the meeting. Any written comments received will be provided to Committee members before the meeting.

Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you may ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Authority: 5 U.S.C. Appendix 10.

DEPARTMENT OF THE INTERIOR

Bureau of Safety and Environmental Enforcement

[Docket ID BSEE-2022-0010; EEEE500000 234E1700D2 ET1SF0000.EAQ000; OMB Control Number 1014-0004]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Oil and Gas Well-Completion Operations

AGENCY: Bureau of Safety and Environmental Enforcement, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act (PRA) of 1995, the Bureau of Safety and Environmental Enforcement (BSEE) proposes to renew an information collection.

DATES: Interested persons are invited to submit comments on or before April 6, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open

for Public Comments” or by using the search function. Please provide a copy of your comments to Kye Mason, BSEE ICCO, 45600 Woodland Road, Sterling, VA 20166; or by email to kye.mason@bsee.gov. Please reference OMB Control Number 1014-0004 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Kye Mason by email at kye.mason@bsee.gov, or by telephone at (703) 787-1607. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on August 4, 2022 (87 FR 47788). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How might the agency minimize the burden of the collection of information on those who are to

respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The regulations at 30 CFR 250, subpart E, pertain to Oil and Gas Well-Completion Operations and are the subject of this collection. This request also covers the related Notices to Lessees and Operators (NTLs) that BSEE issues to clarify, supplement, or provide additional guidance on some aspects of our regulations.

The BSEE uses the information collected under Subpart E to ensure that

planned well-completion operations will protect personnel and natural resources. They use the analysis and evaluation results in the decision to approve, disapprove, or require modification to the proposed well-completion operations. Specifically, BSEE uses the information to ensure:

- compliance with personnel safety training requirements;
- crown block safety device is operating and can be expected to function to avoid accidents;
- proposed operation of the annular preventer is technically correct and provides adequate protection for personnel, property, and natural resources;
- blowout prevention (BOP) equipment complies with the most recent WCR and API Standard 53;
- well-completion operations are conducted on well casings that are structurally competent; and
- sustained casing pressures are within acceptable limits.

Title of Collection: 30 CFR 250, Subpart E, Oil and Gas Well-Completion Operations.

OMB Control Number: 1014–0004.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Potential respondents include Federal OCS oil, gas, and sulfur lessees and/or operators and holders of pipeline rights-of-way.

Total Estimated Number of Annual Respondents: Currently there are approximately 550 Federal OCS oil, gas, and sulfur lessees and holders of pipeline rights-of-way. Not all the potential respondents will submit information in any given year, and some may submit multiple times.

Total Estimated Number of Annual Responses: 5,898.

Estimated Completion Time per Response: Varies from 1.5 hours to 13 hours, depending on activity.

Total Estimated Number of Annual Burden Hours: 17,985.

Respondent's Obligation: Mandatory.

Frequency of Collection: Generally submitted weekly, biennially, and on occasion, depending on the requirement.

Total Estimated Annual Nonhour Burden Cost: We have identified no non-hour cost burdens associated with this collection of information.

SUPPLEMENTARY INFORMATION: Effective November 3, 2022, the Commission published its schedule for the final phase of these investigations (87 FR 75066, December 7, 2022). On February

23, 2023, counsel for the petitioner, Delano Growers Grape Products, LLC, and counsel for respondents, Cepas Argentinas S.A. and Federación de Cooperativas Vitivinícolas Argentinas Coop. Ltda., filed with the Secretary to the Commission requests that the schedule in these investigations be modified to give the Department of Commerce (Commerce) and the parties to these investigations the opportunity to fully consider the proposed agreements suspending the antidumping and countervailing duty investigations on white grape juice concentrate from Argentina. The Commission granted these requests, in part, and is hereby revising its schedule.

The Commission's new schedule for these investigations is as follows: the prehearing staff report will be placed on the nonpublic record on March 13, 2023; the deadline for filing prehearing briefs is March 20, 2023; requests to appear at the hearing must be filed with the Secretary to the Commission not later than March 20, 2023; if deemed necessary, the prehearing conference will be held at 9:30 a.m. on March 23, 2023; the hearing will be held at 9:30 a.m. on March 27, 2023; the deadline for filing posthearing briefs is March 31, 2023; the Commission will make its final release of information on April 18, 2023; and final party comments are due on April 20, 2023.

For further information concerning these proceedings, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.21 of the Commission's rules.

By order of the Commission.

Issued: March 2, 2023.

Lisa Barton,

Secretary to the Commission.
