1.		Commenter: jean publiee	
	0702	form I9 is not widely used. illegal immigrant work off th books especially in the construction industry. alot of corruption with illegal immigrants. this agency is negligent and lies to the american pulib as if this is a system that is working when it is widely negligent, substandard managed and worked on. the public is being lied to as if this system works when it does not. they are all here and working and getting freebies besides which no american gets.	Response: This comment is out of scope for the proposed revision because it does not provide feedback on the nature of the information collection, the categories of respondents, the estimated burden (i.e. the time, effort, and resources used by the respondents to respond), the estimated cost to the respondent, or the actual information collection instrument.
