Accomplishments Report AD-421

Select Report Type:	Reporting Period Covered	Additional Explanation
Annual Report	to (month/day/year)	You can modify these dates to reflect the actual time period, not to exceed one year
Final Report	start date to end date (month/day/year) final reports summarize the lifetime of the project and change the project status in CRIS to terminated	You cannot modify the dates for a final report; they must always reflect the lifetime of the project. If the project start or termination dates shown to the left are not correct, contact your site administrator.

O	u	t	p	u	ts

Report <u>outputs</u> completed during the reporting period that contribute to the goals and objectives of the project (*do not include publications here, they are to be reported separately in the block below*). Do not include findings or conclusions that have been reached; these are to be reported separately as changes in knowledge in the outcomes section. Include a description of how the results have been <u>disseminated</u> to communities of interest or how the product is being shared. If this is a final report, give a brief summary of the most significant outputs and dissemination activities for the entire life of the project. <u>more</u> ...

This narrative is required for all projects.

- Only keyboard characters are allowed. Do not use degree symbols, math symbols, Greek letters, italics, boldface, super- or sub-scripts, or underlines (substitute suitable words or alternate characters).
- Do not include tabs, blank lines, or any formatting of text.
- Limit to 3200 characters and spaces.

Outcomes / Impacts

Describe how findings, results, techniques, or other products that were developed or extended from the project generated or contributed to an <u>outcome/impact</u>. Describe the results of the project evaluation. Indicate how resources and activities helped to produce project outputs and achieve project outcomes and impacts. *more* ...

This narrative is required for all projects.

- Only keyboard characters are allowed. Do not use degree symbols, math symbols, Greek letters, italics, boldface, super- or sub-scripts, or underlines (substitute suitable words or alternate characters).
- Do not include tabs, blank lines, or any formatting of text.
- Limit to 3200 characters and spaces.

Publications

List <u>publications</u> that are specific to the project during this reporting period. Include only those publications not previously reported. Include printed and electronic publications (see <u>examples of publications</u>). If there are no publications to report for the period, leave this field blank. <u>more ...</u>

- Leave this field blank if there are none to report for this period.
- Citations are not limited in length or number, but **MUST be** separated by a blank line and must include the year of publication.
- Do not number the publications.
- Do not enter anything other than publications in this field.
- Only keyboard characters are allowed.
