omb l405-0147 dept state - public notice 5701 - sevis - attention stanley colvin

it is time to put a moratorium on this program. it costs u.s. taxpayers through the nose when they are hard pressed to pay the high taxes forced upon them by this government to pay for wars on two fronts. i also think we have twenty million illegal immigrants in this country taking our jobs, freeloading our education system so it keeps growing, freeloading on medical care, and the state dept should help immigration to get every one of these illegal criminal sneaks out of this country.

they came sneaking across our border. they lied to immigration and overstayed visas. such liars and criminal sneaks are costing american taxpayers much money.

shut down this program. put state to work processing immigration forms from the peoples home countries. we do not want one single illegal immigrant here in this country.

UNTIL WE GET THIS FREELOADING SETTLED, NO OTHER PROGRAM OF POPULATION EXCHANGE SHOULD BE TAKING PLACE. WE ALREADY HAVE THE SNEAKS IN HERE.
