(27)	

FSA-1940-51 (06-06-02) Page 3 of 7

8. Division of property. At the termination of this lease, all jointly owned property will be divided or disposed of as follows:
(28)
C. IMPROVING, CONSERVING, AND MAINTAINING THE FARM. To improve the farm, conserve its resources, and maintain it in a high
state of cultivation, the two parties agree as follows:
1. General maintenance. The tenant will maintain the farm during the tenancy in as good condition as at the beginning, normal wear and depreciation and damages from causes beyond the tenant's control excepted.
2. Good husbandry. The tenant will operate the farm in an efficient and husbandlike way, will do the plowing, seeding, cultivating, and
harvesting in a manner that will conserve the landlord's property.
3. Cropping practices. The tenant will not, without oral consent of the landlord, (a) plow permanent pasture or meadowland, (b) cut live trees
for sale or personal uses, but will take for fuel or use on the farm only dead or unmarketable timber designated by the landlord, (c) allow livestock
other than the tenants own on stalkfields or stubblefields, (d) burn or remove cornstalks, corncobs, straw, or other crop residues grown on the farm,
(e) pasture new seedings of legumes or grasses in the year they are seeded, and (f) plan legumes on land not known to be thoroughly inoculated
without first inoculating the seed.
4. Livestock practices. In caring for livestock, the tenant will follow health and sanitation measures and guard against disease.
5. Manure and crop residue. The tenant will spread the manure, straw, or other crop residues on the farm as soon as practicable on fields
agreed upon by the two parties, except as follows:
(29)
6. Pasturing. The tenant will prevent tramping of fields by stock and rooting by hogs when injury to the farm will be done.
7. Waste. The tenant will not commit waste on or damage to the farm and will use due care to prevent others from so doing.
8. Fire protection. The tenant will not, without written consent of the landlord, house automobiles, motortrucks, or tractors in barns, or
otherwise violate restrictions in the landlord's insurance policy, which restrictions the landlord shall make known to the tenant.
9. Replace losses. The landlord will replace or repair as promptly as possible the dwelling or any other building that may be destroyed or
damaged by fire, flood, or other cause beyond the control of the tenant or make rental adjustments in lieu of replacements.
10. Noxious weeds. The tenant will use diligence to prevent noxious weeds from going to seed on the farm and will destroy the same, and will
keep the weeds and grass cut or destroyed on the fields, farmstead, roadside, and fence rows. Treatment of weed infestation and cost thereof, shall be
handled as follows:
(30)
11. Maintenance of improvements. The tenant will keep the building, fences, and other improvements on the farm in as good repair and
condition as they are when the tenant takes possession, and in as good repair and condition as they may be put during the term of the lease ordinary
wear and tear, loss by fire, or unavoidable depreciation or destruction excepted.
12. Materials and labor. The landlord will furnish materials and the tenant will perform labor for normal maintenance and repairs, except that
skilled labor which the tenant is unable to perform satisfactorily will be furnished by the landlord. Additional agreements regarding materials and
labor:
(31)

- 14. **Add improvements.** The tenant will *not*, without written consent of the landlord, (a) erect or permit to be erected on the farm any nonremovable structure or building, or (b) incur any expense to the landlord for such purpose, or (c) add electrical wiring, plumbing or heating to any buildings, and, if consent is given, the tenant will make such additions meet standards and requirements of power and insurance companies.
- 15. **Conservation practices.** The tenant will control soil erosion as completely as practicable by stripcropping and contouring, and by filling in or otherwise controlling small washes or ditches that may form.
- 16. **Conservation structures.** The tenant will keep in good repair all terraces, open ditches, and inlets and outlets of tile drains, preserve all established watercourses or ditches including grass waterways when seed and fertilizer are furnished by the landlord, and refrain from any operation or practice that will injure them.
- 17. **Compensation for improvements.** The two parties will carry out new conservation practices and measures and make other improvements, and share contributions and costs necessary for completion of such practices and improvements as set forth below. The tenant will be reimbursed by the landlord when the practice, measure, or improvement is completed, or the tenant will be compensated for its unexhausted value when the tenant leaves the farm, according to the table below:

18.	18. Additional agreements relative to conservation and improvements:							
(40)								

- 19. **Review of conservation program.** A new schedule covering conservation practices and improvements will be prepared each year on an appropriate form which will become a part of this lease when signed by the two parties.
- 20. **Preparing or seeding land.** When the tenant leaves the farm, if the total acreages of prepared or seeded land are greater than at the beginning of the tenancy, the tenant will be compensated by the landlord on the basis of the value of such excess acreages. If such total acreages are less than at the beginning of the tenancy, the tenant will compensate the landlord on the basis of the value of such deficiency, provided that the deficiency is not due to drought, flood, or other causes beyond the control of the tenant. The acreages at the beginning of this tenancy and the basis of payments are as shown in the table below:

(41) Prepared or Seeded	(42) Acres At Beginning	(43 Rate Per Acre

21. **Removable Improvements.** Minor improvements of a temporary or removable nature, not provided for in item 17 of this section, which do not mar the condition or appearance of the farm may be made by the tenant at the tenant's own expense. The tenant may at any time this lease is in effect, or within a reasonable time thereafter, remove such improvements, provided the tenant leaves in good condition that part of the farm from which they are removed.

- 22. **Compensation for damages.** When the tenant leaves the farm the tenant will pay the landlord reasonable compensation for any damage to the farm for which the tenant is responsible, except ordinary wear and depreciation and damages beyond the tenant's control.
- **D. SHARING COSTS AND RETURNS.** All costs and returns shall be divided between landlord and tenant as provided below, unless otherwise specifically stated elsewhere in this lease.
 - 1. Rental rates. The tenant agrees to pay as rent the shares or quantities of crops and cash as indicated below:
