Dear Ms. Ljumezi,

As requested, following is the response to your question from the appropriate USAID staff:

"The number represents the estimated number of individuals per year during the pilot phase in West Bank and Gaza."

Best regards,

Hi Beverly,

Thanks for referring my message. I have not yet received a response from your colleague. The comment period closes shortly, and clarification on the 2000 respondents would be of great assistance in providing more accurate comments to the Notice.

I appreciate your assistance in facilitating a response.

Best,
Nicole
