Instructions for Use. To complete the Repair/Modification Notice, enter the following information:

- 1. Enter the scale serial number (optional).
- 2. Enter the name and location of facility.
- 3. Enter the date the form was prepared.
- 4. Enter the time the form was prepared.
- 5. Check block emergency breakdown or non-emergency breakdown.
- 6. Enter the name of official personnel (Supervisor or Scales Specialist) requesting repair or modification.
- 7. Enter the name of elevator person notified.
- 8. Check appropriate block to fit malfunction and explain in remarks what the malfunction is and its location.
- 9. Check appropriate block and explain the conditions under which weighing will continue.
- 10. Enter the date of the completion of repair/modification.
- 11. Enter the time the repair/modification was completed.
- 12. Enter the name of the official inspection personnel who observed the completion of the repair/modification.

Distribution. Complete the notice up to, and including, the "Action To Be Taken By FGIS" section. Give the person notified of the necessary repairs or modifications a copy of the notice. After the repairs or changes are made, complete the "Repair/Modification Completed" section of the notice and send a copy to the field office.

CONTACT INFORMATION:

Contact the field office responsible for the geographic area in which the service is provided. Details for these locations can be found at:
