## Your 2011 Sport Fishing Activities in Alaska

The questions in this survey are about you and your fishing activities and opinions. Except when asked, please do not include any information about others who fish or travel with you. Please use the included maps, Map A (Southeast Alaska) and Map B (Southcentral Alaska), when needed.

In this survey:

- **Freshwater fishing** is any sport (recreational) fishing in rivers, lakes, and streams.
- **Saltwater fishing** is any sport (recreational) fishing in the ocean or bays but does not include salmon caught in rivers or in tidal saltwater at the mouth of a river.
- A **fishing trip** is any trip that includes recreational fishing. This includes travel to the location where you fished. Many anglers fish for more than one day on fishing trips.
- **Do not include** any subsistence or personal use fishing (e.g., dipnetting) you may have done.

**A1 Did you take any sport (recreational) fishing trips in Alaska before 2011?**

*Check the box of your response.*

- Yes
- No

**A2 During 2011, how many total freshwater and saltwater fishing days did you sport fish in Alaska? Count partial days as full days.**

\_\_\_\_\_ freshwater fishing days

\_\_\_\_\_ saltwater fishing days

**A3 During 2011, in which areas of Alaska (Southeast Alaska, Southcentral Alaska, or other areas in Alaska) did you fish on your freshwater or saltwater fishing trips?**

*Check all that apply.*

- Southeast Alaska – see *Map A*
- Southcentral Alaska – see *Map B*
- Other areas in Alaska – any area in Alaska *not shown in Map A or Map B*  
(e.g., Fairbanks)

**A4 In 2011, did you take any saltwater fishing trips for halibut, salmon, lingcod, or rockfish in Southcentral Alaska (see Map B)? Check your response and follow the directions.**

The next four questions ask you to choose which you like best between 3 things: two different types of Southcentral Alaska saltwater boat fishing experiences (Choice A and Choice B) or doing something else instead of saltwater boat fishing (Choice C).

Choice A and Choice B may differ from fishing experiences you have had, particularly in how much they cost and in the bag and size limits, but we would still like to know your opinions about them.

- In each question, the saltwater fishing experiences (Choices A and B) are the same except for the differences you see in the table.
- Assume you have access to a private boat when considering private boat fishing trips.
- Some trips may have a **maximum** size limit on the halibut that can be caught and kept, or a **minimum** size limit on the salmon that can be caught and kept. These are conservation measures to help maintain healthy fish stocks.
- Remember that money you spend on Choice A or Choice B is money that could instead be spent on other items and activities if you didn't go saltwater boat fishing in Alaska.

**D4** Choice A, Choice B, and Choice C are described in the columns below. Below the columns, indicate which of these three choices you like best and which you like second best.

	Choice A	Choice B	Choice C
