I am the Research/Compliance Coordinator for the California Tree Fruit Agreement, which administers Federal Marketing Orders 916 and 917. I would like to comment regarding the "notice and request for comments".

The California Tree Fruit Agreement is in support of the UDSA requirements for forms that are approved for generic information collection for marketing orders including: forms covering the selection process for industry members to serve on a marketing order's committee or board, and forms for ballots used in referenda to amend or continue marketing order programs.

Best Regards,

LAUREN FRIEDMAN
Research/Compliance Coordinator
