c. Transport Methodological Describe your transport transport Methodological Control of the Cont		•	ruck Buggy/ATV Backpack Helicopter umbers of vehicles and how you will access the project area:
•			
d. Operating Procedu	ıresDescribe yo	our operating procedures	es. including how you will minimize surface impacts. Describe support facilities you need, such as helispots,
camps, or powder	magazines; cons	truction of roads or trail	ils, proposed plugging procedures for shotholes; and general clean-up procedures:

## Terms and Conditions

The Bureau of Land Management (BLM) or Forest Service (FS) (Agency) must approve any Surface disturbing activities in addition to those approved in this NOI, such as route changes, placement of magazines, towing with a tractor, blading, dozing, snow removal, and vegetation removal. I must notify the Agency in writing of any changes in the original proposal and have Agency approval in writing for the changes before proceeding with them. Stacking sourcepoints to avoid sensitive resources or areas does not require prior Agency approval.

1.

- This NOI expires on \_\_\_\_\_\_\_, unless the Agency extends it in writing before that date.
- 3. I understand that this NOI does not grant any exclusive right to the described lands for geophysical exploration, or other purposes. The land area described above is at all times subject to any other lawful uses by the United States, its lessees, permittees. licensees, and assigns.
- 4. I must notify the Agency at least \_\_\_\_\_\_ days, but no more than \_\_\_\_\_\_, prior to initiating the project and entering upon the public lands.
- 5. In the field, each seismic crew must have with it a copy of the approved NOI and its terms and conditions.
- 6. The Agency may suspend or terminate this NOI if there is a violation of any of its conditions.
- I must suspend operations when the operations may unnecessarily damage the surface, such as when rutting would occur due to wet soil conditions.
- 8. I must indemnify the United States for any liability for damage to life or property resulting from the occupancy or use of public lands under the NOI.

- 9. I must take all reasonable precautions to prevent and must suppress fires. The Agency may specify in writing the fire prevention and firefighting equipment I need. At my expense, I must extinguish all fires set or caused as a result of operations under this NOI and must report all fires to the Agency.
- 10. I must diligently protect from unnecessary damage United States land and property covered by this NOI. I must pay the United States for any damage resulting from my or my agents' or employees' violation of the terms of this NOI or any law or regulation applicable to the lands involved.
- 11. I must store and handle powder magazines and explosives according to U. S. Bureau of Alcohol, Tobacco and Firearms standards (see 27 CFR Part 55). I must properly secure loaded shotholes.
- I must complete shothole plugging under Agency guidelines and the guidelines of any other local, Federal or State regulatory authority.
- 13. I must remove all materials and equipment I placed on the premises and restore the site to the Agency's satisfaction immediately after I complete the project unless the Agency approves other arrangements.
- 14. I must file a Notice of Completion (NOC) Form within 30 days after completing operations and reclamation. If the location of the project is different from that in the approved NOI, I must submit a revised map with the NOC (1:24,000 scale, where available), including source points.

15.	I must pay to the United States \$		
	per	according to tl	ne
	regulations.	· ·	

16.	This geophysical expl	oration project is subject to the a	ittached
	Conditions of Approval.		through
		and Exhibits	

WARNING: If you purposely give false or misleading information, you maybe fined \$10,000, sent to prison, or both (see Title 18 U.S. C. 1001 statement on page 1).

1001 statement on page 1).				
I agree that I and my agents must conduct with this NOI and any attached terms and	0 1 7 1	ation under all Federal,	State and local laws, and applicable regulations	and must comply

## NOTICES

The Privacy Act and 43 CFR 2.48(d) require that you be furnished with the following information in connection with information requested by this form.

**AUTHORITY:** The Mineral Leasing Act (30 U.S.C. 181 - 287), Mineral Leasing Act for Acquired Lands (30 U.S.C. 341 - 359), Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 - 1782), and National Environmental Policy Act (42 U.S.C. 4321 - 4347) permit collection of the information requested by this form. The BLM collects this information in accordance with 43 CFR part 3150. The FS collects this information in accordance with 36 CFR part 228.

**PRINCIPAL PURPOSE:** The Bureau of Land Management (BLM) or the Forest Service (FS) will use the information to process your notice and inform you of the terms and conditions under which geophysical exploration operations may be conducted.

**ROUTINE USES:** The BLM will only disclose the information in accordance with the Freedom of Information Act, the Privacy Act, and the provisions at 43 CFR 2.56(b) and (c). The FS will only disclose the information in accordance with the Freedom of Information Act, the Privacy Act, and the provisions at 36 CFR 200.7 and 7 CFR 1.1.

**EFFECT OF NOT PROVIDING INFORMATION:** Submission of the requested information is necessary to obtain or retain a benefit. Failure to submit all of the requested information or to complete this form may result in delay or result in revocation of your right to conduct geophysical exploration operations.

The Paperwork Reduction Act requires us to inform you that:

The BLM/FS collects this information in accordance with the statutes and regulations listed above, and for the purposes listed above.

Submission of the requested information is necessary to obtain or retain a benefit.

You do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a valid OMB Control Number.

**BURDEN HOURS STATEMENT:** The public reporting burden for this form is 1 hour per response, including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. You may submit comments regarding the burden estimate or any other aspect of this form to: U.S. Department of the Interior, Bureau of Land Management (1004-0162), Bureau Information Collection Clearance Officer (WO-630), 1849 C Street, N.W., Washington, D.C. 20240.
