History:  This message has been replied to and forwarded.

Thank you Greg.

Please see attached. I am also attaching a comment request we tried to send to Mrs. Hynek last week regarding ACS Content Changes, in case the DOC can still receive our comments.

All my best,

Mario

Thanks you for your reply, Dr. Marazzi. You can send your comments to me, and I will ensure that the Commerce Dept contact gets them. I am home today, and do not have access to the Commerce e-mail list.

Thank you,
Greg Hanks

Subject: FW: Response to comment request regarding Geographic Partnership Programs of the U.S. Census Bureau

Dear Mr. Hanks:

We are trying to send to the Dept. of Commerce our response to the comment request regarding the GPPs of the Census Bureau. The deadline is today.

However, our emails have bounced back several times from Mrs. Hynkek's account.

You are the only other person whose email address appears in the Federal Register notice. We therefore contact you to see if you can provide us with an alternate email address to send our comments.

Thank you and best wishes,

Mario
