UNITED STATES DEPARTMENT OF COMMERCE
Economics and Statistics Administration
U.S. Census Bureau

Washington, DC 20233-0001

We request your cooperation in completing the **2013 Report of Organization**, Form NC-99001.

Since your company has reported electronically for previous Census Bureau surveys or indicated an interest in electronic reporting, we have enclosed the appropriate materials in this package. If you requested paper report forms, they are also included.

This survey is used to update the Census Bureau's list of businesses and provides key source data for County Business Patterns and other statistical series. Businesses use the data for analyzing markets, developing sales and advertising programs, setting sales quotas, and determining site locations. Government agencies use the data for regional analysis and economic planning.

Please respond within 30 days after receipt. You may use reasonable estimates if book figures are not readily available. Please note that the Report of Organization contains new questions about company operating revenues, royalties and license fees, and selected manufacturing activities.

Title 13, United States Code, Sections 182 and 224, **requires your response** to this inquiry and Section 9 guarantees that **your response is confidential** and will be used only for statistical purposes.

File electronically, find answers to your questions, and request a variety of services at **census.gov/econhelp/cos**. Your User ID and Password are shown below. If you need additional assistance, call the Electronic Reporting Operations Branch at **1-800-838-2640**, Monday through Friday, 7:30 a.m. to 4:00 p.m. Eastern time.

Thank you in advance for your cooperation.

Sincerely,

William G. Bostic, Jr.
