# SURVEY OF HEALTHCARE EXPERIENCES OF PATIENTS

# HOME HEALTH CARE SURVEY

In order for the VA to carry out its mission to provide the best possible medical care and services to all veterans, it is extremely important that you complete and return this survey booklet. Your answers will help ensure that all veterans receive the high-quality care they have earned and so richly deserve.

Please read each question and check the box that best describes your experience. Please be sure to read all pages of this survey booklet.

We want to remind you that all information is strictly anonymous. It will not be shared with your doctor or affect your VA care.

**Your Privacy is Protected.** All information that would let someone identify you or your family will be kept private. Synovate will not share your personal information with anyone without your OK. Your responses to this survey are also completely **confidential.** 

**Your Participation is Voluntary.** You may choose to answer this survey or not. If you choose not to, this will not affect the health care you get.

If you have a specific question or need help with your VA care, you may contact the VA as described at the end of this survey booklet.

#### Thank you very much!

**The Paperwork Reduction Act of 1995:** This information is collected in accordance with section 3507 of the Paperwork Reduction Act of 1995. Accordingly, we may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who complete this survey will average 10 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the form. Customer satisfaction surveys are used to gauge customer perceptions of VA services as well as customer expectations and desires. The results of this survey will lead to improvements in the quality of service delivery by helping to shape the direction and focus of specific programs and services. Disclosure of information involves release of statistical data and other non-identifying data for the improvement of services within the VA healthcare system and associated administrative purposes. Submission of this form is voluntary and failure to respond will have no impact on benefits to which you may be entitled.
