This Loan Note Guarantee is issued under Lender Agreement for Guaranteed Single Family Housing Loans dated in connection with the above identified loan.

In consideration of the making of the subject loan by the Lender, the United States of America, acting through the Rural Housing Service of the Rural Development mission area (herein called "RHS"), pursuant to Title V of the Housing Act of 1949 (42 U.S.C. 1471 et. seq.), agrees that, subject to the terms and conditions herein, it will pay to the Lender the lesser of

- 1. Any loss of an amount equal to 90 percent of the principal amount actually advanced to the Borrower, or
- 2. Any loss sustained by the lender of an amount up to 35 percent of the principal amount actually advanced to the Borrower, plus 85 percent of any additional loss sustained by the Lender of an amount up to the remaining 65 percent the principal amount actually advanced to the Borrower.

Loss includes only (a) principal and interest evidenced by the Note; (b) any loan subsidy due and owing; and (c) any principal and interest indebtedness on RHS approved protective advances for protection and preservation of collateral. Interest (including any subsidy) shall be covered by the Loan Note Guarantee to the date of the final loss settlement when the Lender conducts liquidation of collateral in an expeditious manner. Net proceeds received from liquidation of the collateral will be used in calculating the amount of loss sustained by the Lender. If the Lender acquires the collateral, the net proceeds from collateral for calculating loss shall be determined by RHS as follows: (i) the collateral will be appraised at its current market value as of the date of acquisition by the Lender then (ii) deduct from such appraised value an estimate of liquidation cost which will include an allowance for the estimated time the property will be held by the Lender.

If RHS conducts the liquidation of the loan, loss occasioned to a Lender by accruing interest after the date RHS accepts responsibility for the liquidation will not be covered by the Loan Note Guarantee.

Lender may sell the guaranteed loan only to a Lender which meets the qualifications and in the manner as provided in Subpart D, 7 CFR part 1980. Such loan must not be in default at the time of the sale.

Lender may obtain participation in its loan under its procedures. Participation means a sale of an interest in the loan wherein the Lender retains the note, collateral securing the note, and all responsibility for all loan servicing and liquidation. A participant has no rights under this instrument

2. Full Faith and Credit
