Name: Mary I Wilson

Address:

250 E Pearson St., Apartment 2005

Chicago, IL, 60611

Email: aldenponds@aol.com

Submitter's Representative: Mary Wilson

Organization: Mary I Wilson LLC

General Comment

I am an organic inspector. The time spent preparing, writing and submitting an inspection report varies widely depending on the certifier and the complexity of the inspection. In general, however, time spent preparing, writing and submitting is equal to the time spent on site. Over a year's time, total time expenditure per inspection, including scheduling, preparation, travel time, actual time on site, and writing the report, is about 10 hours.
