Introduction and Instructions

Capitalized terms (other than titles) are defined in the BEA Program Regulations (12 CFR Part 1806), the Notice of Funds Availability (NOFA) for the FY 2013 funding round, the BEA Program Application, or the Supplemental Guidance for Applicants. All of these documents may be downloaded from the CDFI Fund's website at www.cdfifund.gov. Certain terms used throughout the Application have meanings unique to the BEA Program. The CDFI Fund encourages each Applicant to review the regulations, NOFA, and the Supplemental Guidance to be familiar with these meanings as well as other program requirements.

The CDFI Fund's mission is to increase economic opportunity and promote community development investments for underserved populations and in distressed communities in the United States. The CDFI Fund achieves its mission by directly investing in and supporting Community Development Financial Institutions (CDFIs), Community Development Entities (CDEs), and other financial institutions through the CDFI Program, the Native Initiatives, the New Markets Tax Credit (NMTC) Program, and the Bank Enterprise Award (BEA) Program.

The BEA Program complements the community development activities of banks and thrifts (collectively referred to as banks for purposes of this Application) by providing financial incentives to expand investments in CDFIs and to increase lending, investment, and service activities within Distressed Communities. Providing monetary awards for increasing community development activities leverages the CDFI Fund's dollars and puts more capital to work in Distressed Communities throughout the nation.

Information on the CDFI Fund's programs can be found on the CDFI Fund's website at www.cdfifund.gov. From the home page, click on "What We Do", then "Information for Applicants." Click on the link for the various programs of interest.

Actual funding for this program is contingent upon available resources. Publication of this Application or the NOFA does not oblige the CDFI Fund or the Department of the Treasury to make any award or to obligate any available funds. Any costs incurred by the Applicants in developing an Application or in anticipation of an award are done so at the Applicant's own risk.

FY 2013 BEA Program

Changes to the FY 2013 Application Process

An active System for Awards Management (SAM)¹ account is required to submit Applications via Grants.gov.

- Applicants are advised to make sure their SAM account is active and valid well in advance of submitting an Application via Grants.gov and to allow ample time to complete the entire registration and submission process prior to the application deadline of July 12, 2013.
- The SAM website is: www.SAM.gov

¹ The System for Award Management (SAM) replaced the Central Contractor's Registration (CCR) database that was formerly used by Applicants.

Application Eligibility Factors

FDIC-Insured Depository Status

The legislation authorizing the BEA Program specifies that eligible Applicants for the BEA Program must be Insured Depository Institutions, as defined in 12 U.S.C. §1813(c)(2). As set forth in the NOFA, an Applicant must be FDIC-insured by December 31, 2012 to be eligible for a FY 2013 BEA Program Award. The Depository Institution Holding Company of an Insured Depository Institution may not apply on behalf of an Insured Depository Institution. Applications received from Depository Institution Holding Companies will be disqualified.

Certification Status Applicants can apply as a certified CDFI or non-certified CDFI. To apply as a certified CDFI, an Applicant must have received its certification designation from the CDFI Fund by the end of the Assessment Period (December 31, 2012 for the FY 2013 funding round) and maintain its status as a certified CDFI at the time BEA Program Awards are announced under the FY 2013 NOFA. Please note that all CDFIs which were originally or most recently certified prior to February 1, 2010 must apply to the CDFI Fund for recertification no later than 11:59 PM EST April 1, 2013. Additional information regarding the mandatory CDFI recertification requirements can be found at: www.cdfifund.gov/cdficert.

CDFI Program Award Status As stated in the NOFA, no CDFI applicant may receive a FY 2013 Bank Enterprise Award if it has: (1) An application pending for Assistance under the FY 2013 round of the Community Development Financial Institutions Program (CDFI Program); (2) Been awarded assistance from the CDFI Fund under the CDFI Program within the 12-month period prior to the date the CDFI Fund selects the Applicant to receive a FY 2013 Bank Enterprise Award, as indicated by the date on the 2013 BEA Notice of Award; or (3) ever received assistance under the CDFI Program for the same activities for which it is seeking a FY 2013 Bank Enterprise Award. Please note that Applicants may apply for both a CDFI Program award and a BEA Program Award in FY 2013; however, receiving a FY 2013 CDFI Program award removes an Applicant from eligibility for a FY 2013 BEA Program Award.

Prior CDFI Fund Awardees or Allocatees

The BEA Program NOFA includes certain eligibility requirements which generally apply to Applicants that are prior awardees or allocatees under other CDFI Fund programs.

- **Failure to Meet Reporting Requirements.** The CDFI Fund will not consider an Application submitted by an Applicant if the Applicant or its Affiliate is a prior CDFI Fund awardee or allocatee under any CDFI Fund program and is not current on the reporting requirements set forth in the previously executed Assistance, Award or allocation agreement(s), as of the Application deadline(s) stated in the NOFA. Please note that automated systems employed by the CDFI Fund for receipt of reports submitted electronically typically acknowledge only a report's receipt; such acknowledgment does not warrant that the report received was complete and therefore met reporting requirements.
- **Pending resolution of noncompliance.** If an Applicant that is a prior awardee or allocatee under any CDFI Fund program: (i) has submitted complete and timely reports to the CDFI Fund that demonstrate noncompliance with a previous assistance, award or allocation agreement, and (ii) the CDFI Fund has yet to make a final determination as to

whether the entity is in default of its previous assistance, award or allocation agreement, the CDFI Fund will consider the Applicant's Application under the NOFA pending full resolution, in the sole determination of the CDFI Fund, of the noncompliance.

- **Default status.** The CDFI Fund will not consider an Application submitted by an Applicant that is a prior CDFI Fund awardee or allocatee under any CDFI Fund program if, as of the applicable Application deadline of the NOFA, the CDFI Fund has made a final determination that such Applicant is in default of a previously executed assistance, award or allocation agreement(s). Such entities are ineligible to apply for an Award pursuant to the NOFA so long as the Applicant's prior award or allocation remains in default status or such other time period as specified by the CDFI Fund in writing.
- **Undisbursed Funds.** The CDFI Fund will not consider an Application submitted by an Applicant that is a prior CDFI Fund awardee under any CDFI Fund program if the Applicant has a balance of undisbursed funds under said prior award(s), as of the Application deadline. Further, an entity is not eligible to apply for an Award pursuant to the FY 2013 NOFA if an Affiliate of the Applicant is a prior CDFI Fund awardee under any CDFI Fund program, and has a balance of undisbursed funds under said prior award(s), as of the Application deadline. In the case where an Affiliate of the Applicant is a prior CDFI Fund awardee under any CDFI Fund program, and has a balance of undisbursed funds under said prior Award(s), as of the Application deadline of the FY 2013 NOFA, the CDFI Fund will include the combined Awards of the Applicant and such Affiliates when calculating the amount of undisbursed funds.

"Undisbursed funds" is defined as: (i) in the case of prior BEA Program Award(s), any balance of Award funds equal to or greater than five (5) percent of the total prior BEA Program Award(s) that remains undisbursed more than three (3) years after the end of the calendar year in which the CDFI Fund signed the applicable Award Agreement with the Awardee, and (ii) in the case of prior CDFI Program or other CDFI Fund program award(s), any balance of award funds equal to or greater than five (5) percent of the total prior award(s) that remains undisbursed more than two (2) years after the end of the calendar year in which the CDFI Fund signed the applicable assistance agreement with the awardee. Undisbursed funds does not include (i) tax credit allocation authority allocated through the New Markets Tax Credit Program; (ii) any award funds for which the CDFI Fund received a full and complete disbursement request from the awardee as of the Application deadline of this NOFA; or (iii) any award funds for an award that has been terminated, expired, rescinded, or deobligated by the CDFI Fund.

Qualifying Activities

The BEA Program Award is based on an Applicant's increases in Qualified Activities from the Baseline period to the Assessment Period. For the FY 2013 funding round, the Baseline Period is calendar year 2011 (January 1, 2011 through December 31, 2011), and the Assessment Period is calendar year 2012 (January 1, 2012 through December 31, 2012).

Qualified Activities are defined to include CDFI Related Activities, Distressed Community Financing Activities, and Service Activities. CDFI Related Activities include Equity Investments, Equity-Like Loans and CDFI Support Activities (loans, technical assistance, or qualifying deposits). Distressed Community Financing Activities include: Affordable Housing Loans;

Affordable Housing Development Loans and related Project Investments; Education Loans; Commercial Real Estate Loans and related Project Investments; Home Improvement Loans; and Small Business Loans and related Project Investments. Service Activities include Deposit Liabilities, Financial Services, Community Services, Targeted Financial Services, and Targeted Retail Savings/Investment Products. For more detail, please see the FY 2013 NOFA and the BEA Program Regulations.

When calculating BEA Program Award amounts, the CDFI Fund will count **only** the amount an Applicant expects to disburse for a Qualified Activity within 12 months from the end of the Assessment Period. The value of a Qualified Activity for purposes of determining a BEA Program Award shall not exceed \$10 million in the case of Commercial Real Estate Loans or any CDFI Related Activities (i.e., the total principal amount of the transaction must be \$10 million or less to be considered a Qualified Activity); however, the CDFI Fund may consider transactions with a total principal value of over \$10 million on a case by case basis. Applicants must include a narrative statement that describes the community benefit of transactions over \$10 million for the CDFI Fund's consideration.

Instructions for reporting and documenting Qualifying Activities can be found on page 29.

Priority Factors

The CDFI Fund ranks Applicants in each category of Qualified Activities according to the following priorities:

1. CDFI Related Activities
2. Distressed Community Financing Activities
3. Service Activities

Applicants in the first priority category will be selected for Awards before Applicants in the second category. Applicants in the first and second categories will be selected for Awards before Applicants in the third priority category. Selection within each priority category will be based on the Applicant's relative rankings within each category, subject to the availability of funds. Priority in all categories is first given to CDFI Applicants over all other Applicants.

The CDFI Fund determines the actual Award amounts based upon the availability of funds, an Applicant's increases in Qualified Activities from the Baseline Period to the Assessment Period, and an Applicant's priority ranking. If an Applicant receives an Award for more than one category, the CDFI Fund will combine the Award amounts into a single BEA Program Award. For more information, see the BEA Program Regulations, 12 CFR part 1806.203(c).

Eligible CDFI Partners

A CDFI that receives an Equity Investment, Equity-like Loan or CDFI Support Activity (loan, technical assistance, or qualifying deposit) from an Applicant is a CDFI Partner. In order for the Applicant to receive an Award for its CDFI Related Activities, the CDFI Partner must have a current and valid certification designation from the CDFI Fund as of the end of the Assessment Period (December 31, 2012 for the FY 2013 funding round).

However, an Applicant that is a certified CDFI cannot receive credit for any Qualified Activities provided to a CDFI Partner that is also an FDIC-insured depository institution or depository institution holding company.

Distressed Communities

All Distressed Community Financing Activities and Service Activities must be provided to: (i) Eligible Residents that reside in a Distressed Community, or (ii) a business located in a Distressed Community. A Distressed Community, defined in the BEA Program Regulations, 12 CFR Part 1806.103(t), and as more fully described in 12 CFR 1806.200, consists of a geographic unit that meets certain minimum population, poverty, and unemployment requirements. See the FY 2013 NOFA for the specific characteristics of a Distressed Community. A Distressed Community as defined by the BEA Program is not the same as an Investment Area as defined by the CDFI Program.

Each CDFI Partner that is the recipient of CDFI Support Activities must designate a Distressed Community using the CDFI Fund's Community Investment Mapping System (CIMS). The CDFI Partner's designated Distressed Community must meet the requirements of the BEA Program. A CDFI Partner may designate an area as a Distressed Community by selecting a Geographic Unit(s) that meets the minimum population, poverty, and unemployment requirements. A CDFI Partner may also designate a Distressed Community by selecting two or more contiguous Geographic Units that, in the aggregate, meet the geographic, population, poverty, and unemployment requirements -- provided that no designated Geographic Unit within the Distressed Community has a poverty rate of less than 20 percent.

The CDFI Fund requires all CDFI Partners to register their Distressed Community via their myCDFIFund account. Applicants seeking an Award in the Distressed Community Financing or Service Activities categories do not have to register a designated Distressed Community via its myCDFIFund account, however using CIMS will assist in identifying Distressed Communities that are eligible for BEA Qualified Activities.

Ensuring that the Application Package Is Complete

An Applicant must complete and submit all required Application materials in such a manner as to comply with all requirements of the BEA Program Regulations, NOFA, and this Application by the applicable deadline. A complete Application Package is one that includes all required

materials described above. Some items – if missing or incomplete – will result in the immediate rejection of the entire Application. **The CDFI Fund will immediately reject an Application Package if:**

- The SF-424 is not submitted via Grants.gov.
- The Excel charts are not submitted via Grants.gov.
- The SF-424 is not received by BPD as the cover paper to the Documentation/Paper Attachments.
- Documentation of Qualified Activities is not received by BPD by the deadline.

The CDFI Fund will allow three business days for an Applicant to submit the following items if missing or incomplete:

- IRS Documentation of the Applicant's EIN.
- Environmental Review Form and Assurances and Certifications.

Please be advised that Applicants must provide, as part of its Application submission, a Dun and Bradstreet Data Universal Numbering System (DUNS) number and a valid and current Employer Identification Number (EIN), with a letter or other documentation from the Internal Revenue Service (IRS) confirming the EIN.

The CDFI Fund encourages Applicants to allow sufficient time to obtain the necessary numbers and documentation. Do not wait until the last minute to obtain EIN documentation or a DUNS number. A DUNS number is required for SAM registration and for Grants.gov submission. Applicants unable to submit their Application to Grants.gov by the deadline due to failure to obtain a DUNS number and/or SAM registration confirmation will not be allowed to submit past the deadline.

If the EIN documentation is missing from the initial paper submission of the Application materials, the three days allowed by the CDFI Fund to submit these items may not be sufficient time to obtain them. It is always better to ensure that the initial Application submission contains all required items and documentation.

Awardee Notification and the Award Agreement

For the FY 2013 funding round, the CDFI Fund anticipates notifying Applicants selected to receive an Award on or after September 30, 2013. The CDFI Fund notifies an Applicant's designated Authorized Representative of the Award decision (positive or negative) via mail (hard copy or electronically). An Applicant selected to receive an Award will receive a Notice of Award and Award Agreement. The Notice of Award and Award Agreement will contain the general terms and conditions underlying the CDFI Fund's provision of an Award. The Applicant must execute the Notice of Award and Award Agreement and return it to the CDFI Fund within 10 business days. Each Awardee must also ensure that complete and accurate banking information is reflected in its System for Award Management (SAM) account on www.sam.gov.

Applicants that receive Awards over \$50,000 without Persistent Poverty County commitments will be subject to compliance and reporting requirements as part of the terms and conditions of

the Award Agreement. Applicants that receive Awards with Persistent Poverty County commitments, regardless of Award size, will be subject to reporting requirements as part of the terms and conditions of the Award Agreement. More information on the requirements for Awardees can be found in the FY 2013 NOFA and BEA Program Regulations.

Actual funding for this program is contingent upon available resources. Publication of this Application or the NOFA does not oblige the CDFI Fund or the Department of the Treasury to make any Award or to obligate any available funds. Any costs incurred by the Applicants in developing an Application or in anticipation of an Award are done so at the Applicant's own risk.

C. Certification Regarding Debarment, Suspension, and Other Responsibility Matters -- Primary Covered Transactions: Instructions for Certification

1. By signing and submitting this Application, the prospective primary participant (the Applicant) is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in the denial of participation in this covered transaction. The prospective Applicant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the CDFI Fund's determination whether to enter into this transaction (approval and funding of the Application). However, failure of the Applicant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. This certification is a material representation of fact upon which reliance is placed when the CDFI Fund determines to enter into this transaction. If it is later determined that the Applicant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate this transaction for cause or default.
4. The Applicant shall provide immediate written notice to the CDFI Fund if at any time the Applicant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transactions," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal", and "voluntarily excluded," as used in this clause (certification), have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. 7. The Applicant further agrees by submitting this Application that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," to be provided by the CDFI Fund, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions (see 31 CFR part 19, Appendix B).
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the No procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate this transaction for cause or default.

Certification 5: Certification of Persistent Poverty County (PPC) Activities

Note: This certification is submitted electronically. A separate physical signature is not required.

Applicant Name: _____

The CDFI Fund's appropriation legislation requires that at least 10 percent of BEA Program Awards be used for projects that serve populations living in Persistent Poverty Counties². The specific counties that meet the criteria for "Persistent Poverty" and also meet the definition of a BEA Distressed Community can be found at: www.cdfifund.gov/persistentpoverty.

Please review the counties and respond to the following request:

As an FY 2013 BEA Applicant, please indicate in Table 1 the minimum and maximum percentage of the Award that your institution will commit to deploying to serve populations in BEA Persistent Poverty Counties. At the discretion of the CDFI Fund, the Applicant may be required to deploy a percentage of its Award at or above the minimum indicated below, but not more than the maximum percentage indicated below.

Table 1 –Award Commitment to BEA Persistent Poverty Counties	
<i>Criteria</i>	<i>Percentage of Award Amount</i>
Minimum BEA Program Award percentage targeted to Persistent Poverty Counties	%
Maximum BEA Program Award percentage targeted to Persistent Poverty Counties	%

Please note that this information will affect the CDFI Fund's evaluation of Applications and Award decisions. It will have an impact on an Applicants score and/or ranking, most notably in the instance that the CDFI Fund should determine, upon an analysis of the final Awardee pool, that it has not achieved the 10% persistent poverty requirement mandated by Congress. In this case, to ensure that this Congressional mandate is achieved, Award preference will be given to qualified institutions that commit to targeting a minimum of 10% of Award activities to Persistent Poverty Counties.

If your institution has committed in Table 1 to deploying a percentage of your BEA Award in a BEA Persistent Poverty County and is selected to receive a FY 2013 BEA Program Award, the commitment to serving Persistent Poverty Counties will be incorporated in your institution's Award Agreement and performance goals. Your institution will be required to report data for BEA Program Award funds deployed in Persistent Poverty Counties and maintain proper supporting documentation and records which are subject to review by the CDFI Fund's Certification, Compliance Monitoring and Evaluation unit. Please note, your institution may be held to the minimum or up to the maximum persistent poverty county commitment.

² The appropriation language defined Persistent Poverty Counties as any county that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990 and 2000 decennial censuses, and the 2010 American Community Survey census.

Line 2: List the dollar value of CDFI Support Activities for the Baseline Period (Column B) and Assessment Period (Column C). Subtract the value in Column B from the value in Column C and list the result in Column D to yield the change in Qualified Activities. Multiply the amount in Column D by the applicable Award percentage in Column E (18% if the Applicant is a CDFI or 6% if the Applicant is not a CDFI) and list the product in Column F to yield the Estimated Award Amount for CDFI Support Activities.

Line 3: Add the values listed on lines 1 and 2 of Column F to yield the Estimated Award Amount for CDFI Related Activities.

DISTRESSED COMMUNITY FINANCING ACTIVITIES:

Note: If a category results in a decrease in activity from the Baseline Period to the Assessment Period, there is no need to report the Activities for either Period in that category and "No" can be selected for the Reporting section (Column A). Otherwise, "Yes" can be selected to report an increase in activity from the Baseline Period to the Assessment Period.

Lines 4-9: List the dollar value of each sub-category of Distressed Community Financing Activities for the Baseline Period in Column B and for the Assessment Period in Column C. Subtract the value in Column B from the value in Column C for each sub-category of activity and list the result in Column D to yield the change in Qualified Activities. Multiply the amount in Column D for each line by the corresponding Priority Factor in Column E to yield a weighted value. List the weighted value of each sub-category of activity in Column F.

Line 10: Add the values listed on lines 4 to 9 of Column F to yield a Total Score. List the Total Score in Column F, Line 10.

Line 11: Multiply the Total Score (Column F, line 10) by the applicable Award percentage (3% if the Applicant is not a CDFI or 9% if the Applicant is a CDFI) to yield an Estimated Award Amount for Distressed Community Financing Activities. List the Estimated Award Amount in Column F, Line 11

SERVICE ACTIVITIES:

If a category results in a decrease in activity from the Baseline Period to the Assessment Period, there is no need to report the activities for either Period in that category and "No" can be selected for the Reporting section (Column A). Otherwise, "Yes" can be selected to report an increase in activity from the Baseline Period to the Assessment Period. To determine the activity during the Baseline Period for Deposit accounts, calculate the net change in the amount of eligible Deposit Liabilities. If the net change of Deposit accounts during the Baseline Period is a negative amount, then a negative baseline amount may be recorded.

Lines 12-16:	List the dollar value of each sub-category of Service Activity for the Baseline Period in Column B and for the Assessment Period in Column C. Subtract the value in Column B from the value in Column C for each sub-category of activity and list the result in Column D to yield the change in Qualified Activities. Multiply the amount in Column D for each line by the corresponding Priority Factor in Column E to yield a weighted value. List the weighted value of each sub-category of activity in Column F.
Line 17:	Add the values listed on lines 12 to 16 of Column F to yield a Total Score. List the Total Score in Column F, Line 17.
Line 18:	Multiply the Total Score (Column F, Line 17) by the applicable Award percentage (3% if the Applicant is not a CDFI or 9% if the Applicant is a CDFI) to yield an Estimated Award Amount for Service Activities. List the Estimated Award Amount in Column F, Line 18.

Part II: myCDFIFund Submission

All Applicants are required to register Organization and User accounts via myCDFIFund according to the instructions on the CDFI Fund's website (www.cdfifund.gov). Complete all applicable sections of myCDFIFund, including the "Affiliates" section. Applicants should ensure that all information in its myCDFIFund account is current.

CDFI Partners

A CDFI Partner that is the recipient of CDFI Support Activity must designate a BEA-qualified Distressed Community in which it is Integrally Involved and register with the CDFI Fund via its myCDFIFund account. An Applicant seeking an Award for providing CDFI Support to a CDFI Partner will identify the CDFI Partner by listing its full legal name, city and state, and related Distressed Community on Certification 3: Certification of Integrally Involved CDFI Partners. During the Application review process, CDFI Fund staff will verify the CDFI Partner is registered via myCDFIFund. Applicants must ensure that all CDFI Partner registration materials have been submitted by the deadline as CDFI Partners will not be contacted regarding missing or incomplete materials. If determined when reviewing an Application that an Applicant's CDFI Partner has not submitted the required BEA Signature Page, BEA-qualified maps, or other required information, the Applicant will not be notified of the missing documentation and the transaction will be disqualified.

CDFI Partner Registration Instructions

CDFI Partner Registration Materials consist of: (1) BEA-Qualifying Distressed Community Maps; and, (2) a BEA Signature Page.

Detailed instructions on registering a Distressed Community and registering as a CDFI Partner are available on the CDFI Fund's website, under the BEA Program. See the document called "Supplemental Guidance for Applicants and FAQs" (Instructions for myCDFIFund Registration and CDFI Partner Registration section). The following is a brief overview of the instructions:

- Step 1. Access your organization's myCDFIFund account. Instructions on how to create a myCDFIFund account can be found at <https://www.cdfifund.gov/myCDFI/index.asp>.
- Step 2: Designate a Distressed Community in CIMS. Save the Distressed Community with the label as "BEA DC 2013". Eligible maps must be deemed qualified. Qualified maps will show a green "Qualified" in myCDFIFund.
 - For more information on how to use CIMS, please click on **View the Tutorial to help you get started and better understand the myCDFIFund Mapping System** under the Mapping homepage. The tutorial contains step-by-step instructions on how to create a Distressed Community map and a corresponding List of Eligible Census Tracts at your desk. Note: A Distressed Community as defined by the BEA Program is not the same as an Investment Area as defined by the CDFI Program and for certification as a CDFI.
- Step 3: Open the BEA Program Signature Page and attach the Distressed Community map created in Step 2.
- Step 4. Sign and submit the completed Signature Page.

Note: If a CDFI Partner has an existing BEA qualified Distressed Community map that represents a Distressed Community in which it is currently Integrally Involved, the CDFI Partner does not have to create a new map. The CDFI Partner may save the existing map with the label "BEA DC 2013".

Part III: Qualified Activity Documentation / PAPER ATTACHMENTS

General Information

The following details the requirements for reporting and documenting Qualified Activities. Applicants should use this guidance in conjunction with the instructions for each worksheet as well as the BEA Program Regulations, FY 2013 NOFA, and the Supplemental Guidance for Applicants (all available on the CDFI Fund's website). The BEA Program Regulations contain definitions of all Qualified Activities.

Activities of the Applicant: To be eligible for BEA Program consideration, the Applicant or a Subsidiary of the Applicant must originate all Qualified Activities. Transactions carried out by Affiliates are not eligible. Loans brokered through another institution or loans purchased by the Applicant from another institution are not eligible for BEA Program consideration. If you are unsure of the eligibility of any Subsidiary or Affiliate, contact the CDFI Fund for clarification.

Arms-length transactions: To be considered an eligible Qualified Activity, each loan and investment must be an arms-length transaction with a third party that is not an Affiliate of the Applicant.

What to Report: All reported amounts should be rounded to the nearest dollar. For both the Baseline Period and the Assessment Period, report all Qualified Activities that were closed during the applicable period. To be considered Closed:

- The transaction must have been executed on a date within the applicable Assessment Period; and
- The Applicant and the borrower or investee must have entered into a legally binding agreement that specifies the final terms and conditions of the transaction; and
- An initial cash disbursement of loan or investment proceeds must have occurred in a manner that is consistent with customary business practices and is reasonable given the nature of the transaction (as determined by the CDFI Fund). If it is normal business practice to make no initial disbursement at closing (as is typical for lines of credit or construction loans), the Applicant must provide a brief narrative stating such and demonstrating that the borrower had access to the proceeds, subject to reasonable conditions (such as meeting certain project milestones), beginning at closing.
- Refinancing of loans (including fixed rate and adjustable rate mortgages) may be valued only at the amount of increase to the principal amount of the loan (i.e., the new credit available). Supporting documentation must be provided to demonstrate the increase in principal amount, in order to meet the Qualified Activity requirement specified in the FY 2013 NOFA. Transactions that do not indicate the increase in principal amount may be disqualified in full.

Face value: For term loans, each transaction must be reported at the total principal dollar amount of the closed loan or investment, subject to the dollar amount and time limitations imposed by the CDFI Fund, and as set forth in the FY 2013 NOFA. For lines of credit (including construction lines of credit), each transaction should be reported at the maximum amount of credit available through the instrument, subject to dollar amount and time limitations imposed by the CDFI Fund. For transactions that are not fully disbursed as of the end of the Assessment Period, **the amount reported should only reflect the amount expected to be disbursed within 12 months of the end of the applicable Assessment Period (December 31, 2012)**, subject to dollar amount limitations imposed by the CDFI Fund, and as set forth in the FY 2013 NOFA.

Cap on Qualified Activity Amount: In calculating Award amounts, the CDFI Fund will count **only** the amount an Applicant expects to disburse on a transaction within 12 months from the end of the Assessment Period, but in no event shall the value of a Qualified Activity for purposes of determining a BEA Program Award exceed \$10 million in the case of Commercial Real Estate Loans or any CDFI Related Activities (i.e., the total principal amount of the transaction must be \$10 million or less to be considered a Qualified Activity). However, the CDFI Fund may consider transactions with a total principal value of over \$10 million on a case by case basis. Applicants must include a narrative statement that describes the community benefit of transactions over \$10 million for the CDFI Fund's consideration.

Low-Income Housing Tax Credits; New Markets Tax Credits: Investments for which the Applicant receives federal Low-Income Housing Tax Credits or New Markets Tax Credits as an investor are not considered Qualified Activities for the purposes of calculating or receiving a BEA Program Award.

Leverage loans used in New Markets Tax Credit structured transactions are considered Distressed Community Financing Activities.

Important: Applicants will not be contacted regarding missing required documentation for any Qualified Activities. If a Qualified Activity does not have the required documentation, the transaction will be disqualified.

Important: In addition to submitting Certification 2: Certification of Disbursement, internal documentation must indicate the date of disbursement/deposit/wire transfer and the associated account number(s). Requests or authorizations for disbursements are not acceptable internal documentation. Internal documentation must indicate that funds were provided to the borrower and must be authorized by bank personnel.

CDFI Related Activities

Eligible CDFI Related Activities consists of Equity Investments, Equity-Like Loans, and CDFI Support Activities. An Equity Investment is defined as assistance provided by an Applicant or its Subsidiary to a certified CDFI in the form of a grant, a stock purchase, a purchase of a partnership interest, a purchase of a limited liability company membership interest, or any other investment deemed to be an Equity Investment by the CDFI Fund. Equity-Like Loan is defined as a loan that has been made under certain terms and conditions that give it equity-like characteristics (see the FY 2013 NOFA for terms and conditions). A CDFI Support Activity is defined as assistance provided by an Applicant or its Subsidiary to a certified CDFI that is Integrally Involved in a Distressed Community, in the form of the origination of a loan, technical assistance, or deposits (see the FY 2013 NOFA for terms and conditions).

Reporting CDFI Related Activities

On Worksheet 1: Applicant must report the total dollar value of all qualified CDFI Related Activities closed during the Baseline Period and the Assessment Period. Calculate the total dollar value of each category by summing the total principal amount of each grant, investment, deposit, or loan closed during the applicable period. Calculate the dollar amount of technical assistance provided to a CDFI Partner during the applicable period by summing the administrative costs of providing such services.

For the purpose of reporting an Applicant's Baseline Period activities on Worksheet 1, the Applicant must report all CDFI Related Activities that it engaged in with any certified CDFI that would have qualified as an eligible CDFI Partner according to the BEA Program Regulations and applicable NOFA during the Baseline Period -- not just new activities engaged in with specific CDFIs during the Assessment Period.

On Worksheet 2: Applicants report the dollar value of each *individual* transaction. For technical assistance to a CDFI Partner, list the dollar value of each unit of technical assistance of according to each CDFI Partner recipient. See instructions for Worksheet 2: Report of Transactions for additional required information.

Documenting CDFI Related Activities

Closing Documents: For all CDFI Related Activities (except technical assistance provided to CDFIs), provide documentation demonstrating that the transaction closed during the Assessment Period. Such documentation must include a legally binding agreement between the Applicant and the CDFI Partner (e.g., grant letter, loan agreement, promissory note, investment agreement, or stock purchase agreement). Certificates of Deposits renewed for a new 3-year term must provide documentation indicating the original date of deposit and expiration. Renewed Certificates of Deposits that do not indicate the original date of deposit and maturity will be disqualified. Document Technical Assistance provided to CDFIs by providing an itemized list of the administrative costs of providing such services.

Disbursement Documents: For all CDFI Related Activities (except technical assistance provided to CDFIs), provide documentation demonstrating that an initial disbursement occurred during the Assessment Period in a manner consistent with customary business practices and that was reasonable given the nature of the transaction. Acceptable documentation includes copies of checks, wire transfer receipts, and credit/debit slips from the general ledger. Internal requests for wire transfers by a bank representative or account print screens are acceptable documentation if accompanied by a signed Certification 2: Certification of Disbursement and if it indicates the date of disbursement and account numbers. If the Applicant has not made a disbursement on a transaction closed within the Assessment Period, provide a narrative describing: (1) why making no initial disbursement was customary business practice and reasonable given the nature of the transaction, and (2) that funds were available at the CDFI Partner's discretion at closing, subject to reasonable conditions (such as meeting project milestones).

Equity-Like Loans: As outlined in the NOFA, Equity-Like Loans must meet the following characteristics:

1. At the end of the initial term, the loan must have a definite rolling maturity date that is automatically extended if the CDFI continues to be financially sound and carry out a community development mission – unless the borrower and the bank mutually agree to terminate the agreement.
2. Periodic payments of interest and/or principal may only be made out of the borrower CDFI's available cash flow after satisfying all other obligations.
3. Failure to pay principal or interest (except at maturity) will not automatically result in default.
4. The loan must be subordinated to all other debt except for other Equity-Like Loans.

Note: the CDFI Fund reserves the right to determine, in its sole discretion and on a case-by-case basis, if an instrument meets the above-stated characteristics of an Equity-Like Loan.

Distressed Community Financing Activities

Eligible Distressed Community Financing Activities include Affordable Housing Development Loans and related Project Investments; Affordable Housing Loans; Education Loans; Home Improvement Loans; Commercial Real Estate Loans and related Project Investments; and Small Business Loans and related Project Investments.

Affordable Housing Development Loans and related Project Investments: In order to be considered Qualified Activities, Affordable Housing Development Loans and Related Project Investments must be loans or investments to finance the acquisition, construction, and/or development of single- or multi-family residential real property, located in a BEA Distressed Community and where at least 60 percent of the units in such property are affordable to Low- and Moderate-Income individuals. For purposes of this Application, affordable is defined as a unit that is or will be sold or rented to a Low- and Moderate-Income Individual.

Affordable Housing Mortgage Loans: In order to be considered a Qualified Activity, an Affordable Housing Mortgage Loan must be located in a BEA Distressed Community and made to a Low- and Moderate-Income Resident. An Applicant may determine the total dollar value of such loans closed during the Baseline Period and the Assessment Period using one of the following methods (an Applicant may use different methods for the Baseline and Assessment Periods):

- **Exact Count Method:** Collect income data on each mortgage borrower. Use this data to determine which mortgage borrowers are Low- and Moderate-Income Residents. Count only those mortgage loans where the borrower is a Low- and Moderate-Income Resident.
- **Certification Method:** Count the number of mortgage borrowers that the Applicant reasonably believes are Low- and Moderate-Income Residents. Provide a brief analytical narrative with information describing how this determination was made (e.g., all borrowers for a certain mortgage loan must pre-qualify as Low-Income).

Education Loans: In order to be considered a Qualified Activity, an Education Loan must be a loan provided to a student, who is a resident in a BEA Distressed Community, for the purpose of financing either college or vocational education.

Home Improvement Loans: In order to be considered a Qualified Activity, a Home Improvement Loan must be a loan provided to a borrower located in a BEA Distressed Community for the purpose of improving the borrower's primary residence.

Commercial Real Estate Loans and related Project Investments: In order to be considered a Qualified Activity, a Commercial Real Estate Loan must be a loan secured by real estate and used to finance the

acquisition or rehabilitation of a building, or the acquisition, construction and or development of property located in a BEA Distressed Community and used for commercial purposes.

Small Business Loans and related Project Investments: In order to be considered a Qualified Activity, a Small Business Loan must be a loan used for commercial or industrial purposes (other than an Affordable Housing Loan, Affordable Housing Development Loan, Commercial Real Estate Loan, Home Improvement Loan) to a business or farm that meets the size eligibility standards of the Small Business Administration's Development Company of Small Business Investment Company programs (13 CFR 121.301) or has gross annual revenues of \$1 million or less, and is located in a BEA Distressed Community.

Reporting Distressed Community Financing Activities

On Worksheet 1: An Applicant must report the total dollar value of all qualified Distressed Community Financing Activities closed during the Baseline Period and the Assessment Period. Calculate the total dollar value of each category by summing the total principal amount of each transaction closed during the applicable period. Report the total dollar value of each category on the applicable line of Worksheet 1.

Applicants reporting in the Distressed Community Financing Activities category are not required to report in all subcategories (e.g. Affordable Housing Development) if there is a decrease in that subcategory from the Baseline period to the Assessment Period.

On Worksheet 2: An Applicant must report the total dollar value of *each* individual loan or investment. See instructions for Worksheet 2: Report of Transactions for additional required information.

Documenting Distressed Community Financing Activities

Closing Documents: For transactions with a principal value of greater than or equal to \$250,000, the Applicant shall provide documentation showing that the transaction closed during the Assessment Period. Such documentation must consist of a legally binding agreement between the Applicant and the borrower/invested/recipient (e.g., loan agreement, promissory note, investment agreement, or stock purchase agreement).

Disbursement Documents: For transactions with a principal value of greater than or equal to \$250,000, the Applicant shall provide documentation showing that an initial disbursement occurred during the Assessment Period in a manner that was consistent with customary business practices and reasonable given the nature of the transaction. Acceptable documentation includes copies of checks, wire transfer receipts, and credit/debit slips from the general ledger. Internal requests for wire transfers by a bank representative or account print screens are acceptable if accompanied by a signed Certification of Disbursement and if it indicates the date of disbursement and account number(s).

Service Activities

Service Activities include: Deposit Liabilities; Financial Services; Community Services; Targeted Financial Services; and Targeted Retail Savings/Investment Products. The BEA Program Regulations, applicable NOFA, and Supplemental Guidance for Applicants contain definitions of these Qualified Activities. An Applicant may only include Financial Services, Targeted Financial Services, and Targeted Retail Savings/Investment Products provided to Low- and Moderate-Income Residents.

Reporting and Documenting Deposit Liabilities

- Calculate the net change in the amount of eligible Deposit Liabilities within the Baseline Period (from January 1 to December 31, 2011) and within the Assessment Period (from January 1 to December 31, 2012). Report the dollar value of the net change in Deposit Liabilities for each period in the appropriate columns on Worksheet 1 and for the Assessment Period on Worksheet 2: Report of Transactions.
- Do not report the total dollar value of Deposit Liabilities as of the last day of each applicable period – instead calculate the net change over the course of the Assessment Period. Do not report each individual depositor on Worksheet 2: Report of Transactions – only report the net change for each period.
- Attach a narrative explaining the methodology used to determine that: (1) account holders are Residents; and (2) Deposit Liabilities were accepted at a location in the Distressed Community. If external sources are referenced in the narrative, the Applicant must explain how it reached the conclusion that the cited references are directly related to the Low-and Moderate-Income residents for which it is claiming to have provided the Financial Services to.

Reporting and Documenting Community Services

- Calculate the total dollar value of providing the Community Service by determining the administrative cost of providing the activity. For staff time, use the number of hours contributed times the staff person's hourly salary. For other administrative costs, the Applicant should report the actual cost.
- Report the total dollar value of all Community Service Activities for each period on Worksheet 1, Line 13. Report the dollar value of each individual Community Service Activity on Worksheet 2: Report of Transactions.
- Submit a narrative describing the methodology used to: (1) derive the value, and (2) determine that the Applicant provided the Community Service to Low- and Moderate-Income Residents, newly-formed small businesses, Low- and Moderate-Income homeowners, or homeowners in the Distressed Community. If external sources are referenced in the narrative, the Applicant must explain how it reached the conclusion that the cited references are directly related to the Low-and Moderate-Income residents for which it is claiming to have provided the Financial Services to.

Reporting and Documenting All Other Service Activities

- Determine the total dollar value of Financial Services, Targeted Financial Services, and Targeted Retail Savings/Investment Products provided to Low- and Moderate-Income Residents during the Baseline Period and Assessment Period using one of the following methods:
 - * **Exact Count Method:** Collect income data on each recipient of the specified activity. Use this data to determine which recipients are Low- and Moderate-Income Residents. Multiply this number by (i) the per unit value specified in the NOFA, or (ii) if the activity is not specified in the NOFA, by the Applicant's estimate of the per unit value.
 - * **Certification Method:** Take the number of recipients that the Applicant reasonably believes are Low- and Moderate-Income Residents and multiply it by (i) the per unit value specified in the NOFA, or (ii) if the activity is not specified in the NOFA, by the Applicant's estimate of the per unit value. The Applicant must provide a brief analytical narrative with information describing how this determination was made.
- Report the combined total dollar value of Financial Services, Targeted Financial Services, and Targeted Retail Savings/Investment Products on the applicable line of Worksheet 1 and on Worksheet 2: Report of Transactions. Do not report the value of each individual service activity separately on Worksheet 2: Report of Transactions (i.e., do not list each check cashed or new account opened separately on its own line on

the Report of Transaction). In the first column, indicate the transaction according to the type (e.g., "checks cashed" or "new accounts opened").

- For Financial Services, if using a per unit value not prescribed in the NOFA, provide a narrative statement that describes the methodology used to derive the value. The CDFI Fund will determine if this value is acceptable. If external sources are referenced in the narrative, the Applicant must explain how it reached the conclusion that the cited references are directly related to the Low-and Moderate-Income residents for which it is claiming to have provided the Financial Services to.
- An Applicant seeking an Award for providing Targeted Financial Services or for opening a new retail branch must complete and submit Certification 1: ETA or New Branches.
