Thank you for agreeing to fill out this diary.

We understand that this task takes time; however, your information is very important to us and will be used for many purposes that affect all Americans. Among the most important, it is used to help calculate the Consumer Price Index, or CPI, which is a basic measure of the rate of inflation.

Here are some of the uses of the Consumer Price Index:

- ◆ Provide cost-of-living wage adjustments for millions of American workers
- ◆ Adjust Social Security payments
- ◆ Determine the cost of school lunches
- ◆ Adjust Federal income-tax brackets

Frequently Asked Questions

(continued on other side)

10. What if I make a contribution or charitable donation?

Record money contributions or donations in the section called *All Other Products, Services, and Expenses* (Part 4).

11. What about gift certificates or gift cards?

If you buy a gift certificate to give to someone, write down the cost of it under the appropriate section (e.g. a certificate to a clothing store would go under *Clothing, Shoes, Jewelry, and Accessories* (Part 3) and a certificate to a department store would go under *All Other Products, Services, and Expenses* (Part 4)). If you buy something using a gift card, write down the full amount for your purchase ignoring the gift card.

12. What do I do about returns & exchanges?

If an item is bought and returned during the diary week, it can be erased or crossed out. If it was bought outside the week and returned during the week, do not make an entry. If an item is exchanged during the week, change the entry. If the new cost is different, cross out the old cost and write in the new cost (see examples on page 7).

13. Should I record subsidized/reimbursed expenses?

Yes, but if someone not on your list pays for or helps pay for an expense or if you will be reimbursed for an expense, only record any extra amount that you or someone on your list has to pay.

14. What should I do about shipping & handling costs?

Include the shipping & handling cost in the total price of the item. If the shipping & handling covered multiple items, include the shipping & handling in the total price of one item from the order.

15. What's the difference between a concession stand and a mobile vendor?

A concession stand has to stay in a permanent location and a mobile vendor does not. Some mobile vendors may seem permanent because they are usually in the same location, but they are still considered mobile vendors because they have the option to change locations.

Frequently Asked Questions

(continued on other side)

1. How detailed should my descriptions be?

Refer to pages 4–7 for examples of the level of detail needed in each part. Do not use brand names.

2. How should I record multiple quantities?

If the items are identical, you can combine them on the same line and enter the total cost of all the items. See examples on pages 5 and 6.

3. How should I record pre-payments such as a subway fare card?

Record the expense when you pay for it, not when you use it.

4. How should I record credit card purchases?

Record the individual expense on the day that you use your credit card to pay for something, not on the day you pay your entire credit card bill.

5. Should I record automatic deductions taken from my paycheck or bank account?

Yes, record automatic deductions (such as health insurance premiums taken out of your account or paycheck) only if they are deducted that week. Write them in the section called *All Other Products, Services, and Expenses* (Part 4).

6. Should I record typical monthly bills?

Yes, record typical monthly bills only if you pay them during the week that you have the diary. Write them in the section called *All Other Products, Services, and Expenses* (Part 4).

7. What should I do when I use coupons, discount cards, or loyalty cards?

Subtract the discount from the original price and write the amount that you paid.

8. Can I just give you receipts instead of writing the information down?

No, we need you to actually write the information in the diary. We encourage you to save your receipts to review them with your field representative at the end of the week. You can use the pocket on the inside of the back cover to store your receipts until you're ready to record your purchases.

9. How should I record items if I don't know whether it includes tax?

Write down the amount paid.
