

Recently, the U.S. Census Bureau invited tribal, state, and local governments to participate in the 2010 Decennial Census Local Update of Census Addresses (LUCA) Program. The LUCA Program, authorized by the Census Address List Improvement Act of 1994 (Public Law 103-430), provides tribal, state, and local governments the opportunity to review and update the Census Bureau's address list.

This letter is to inform you that we have designated the entire area within your entity for special enumeration procedures; special enumeration areas include remote, sparsely-populated, and/or resort areas. Because of this designation, and associated timing and operational constraints, no portion of your entity can be included in the LUCA Program.

If you have any questions, please contact your Census Bureau regional office by telephone at 1-866-511-LUCA (5822) or via e-mail at

Sincerely,

Charles Louis Kincannon
Director
