Subject: Special Minimum Wage Certificates

HI,

I was wanting to make sure that this new way of submitting information will not go into effect until 16/17. Is that correct? I've turned in all of the paperwork for this year and am awaiting the certificates. Please advise.

I understand the need for more detailed information on each student, but speaking from my perspective, it's going to take much longer to complete. Thank you for taking the time to survey us all in the trenches.
