Subject: written control number 1235-0001

Form WW-226A - Are you requesting this information for workers regardless of how long they have been employed? If yes, an employer could have a worker that is 45 years old. To go back and find data for the past 25 years is impossible. Many businesses do not have records dating back that far. Further clarification needs to be done here. I would recommend you go back 1 year.

John
