Subject: 14c changes

I am reviewing a letter regarding potential changes to the process of applying/reapplying for a 14c wage certificate. There is a link noted on the letter, but when I type that into my browser, it says that the page is not found (see screenshot below) and it takes me to your home page. I cannot find the info that outlines the changes that you are soliciting feedback for.

Can you assist?

Thanks,

Joel
