The National Institute for Occupational Safety and Health (NIOSH) has reviewed the Department of Labor/Bureau of Labor Statistics (BLS) *Proposed Collection, Comment Request* concerning the Occupational Requirements Survey (ORS) published in the *Federal Register* (FR) on February 18, 2015 [80 FR 8696].

The Social Security Administration (SSA) and NIOSH met on March 30, 2015 to discuss the ORS. The SSA requested NIOSH input on three areas: physical demands, mental and cognitive demands, and environmental conditions. NIOSH established point of contacts for each area and will provide additional feedback to the SSA and BLS.
