Phone: 248-662-2625

Organization: BMWED

General Comment

If you are going to make electronic filing mandatory, smaller lodges without technology may close or become delinquent.

The DOL filing system will need to be upgraded to become more user friendly.

The DOL Help desk will need a major overhaul with increased staffing around the clock. Our members work long hours on the road and usually can't call during normal business hours. If they can't get return phone calls or help this will also increase delinquencies.
