Mr. Steiger-

As discussed, attached are the surveys that will serve as the basis for the Wave 4 survey. There will be some adjustments to these versions, but the majority of the content will be consistent. Please let us know if you have any further questions or comments.

Subject: your msg on FMLA Wave 4 survey feedback

Hello Mr. Steiger:

Thank you for the message earlier today. As I mentioned in my voice mail message to you a few minutes ago, unfortunately, I didn't receive your earlier email. Our research team would greatly appreciate the opportunity to hear from your organization on possible updates to the upcoming FMLA Wave 4 employer survey. I've 'cc'd the project director for this effort, Katie Gan, and she can arrange a time to chat with you and/or a representative to provide some info about the survey and document your feedback.

Best,
Christina
