Comment

THE ENTIRE BUDGET OF THIS AGENCY SHOULD BE REDUCED TO ZERO. THIS IS AN INHUMANE GROUP THAT THINKS ITS OK TO ALLEGEDLY "RESEARCH" LAMBS SO THAT THEY ALL DIE IN THE COLD WHILE THEY ARE "RESEARCHING THEM. LOOK AT THE EXPOSE IN THE NEW YORK TIMES ON THE WORK OF THE USDA AND LAMBS. THERE IS NO NEED FOR THE US PUBLIC TO EAT LAMB AT ALL. SO TO DO TTHIS TO BABY LAMS REACHED THE HEIGHT OF BEING UNETHICALM ONEY MAD AND DESTRUCTIVE TO SOCIETY. I ALSO WANT TO CITE THE FARMERS DUMPING 500,000 GALLONS OF MILK INTO THE GROUND RATHER THAN GIVING IT TO HUNGRY PEOPLE AS AN EXAMPLE OF THE WAY THIS ADMINISTRATION IS SPENDIGN OUR TAX DOLLARS. CERAINLY IT IS BEING WASTED ON THE DAIRY FARMERS WHO ALSO HAVE NO IDEA OF BEING ETHICAL, AND HEL;PFUL. THE BUDGET OF THIS AGENCY SHOUDL BE ZERO. NOBODY IN AMERICAN NEEDS THIS AGENCY. IF THE AG PROFITEERS WANT TO GET TOGETHER, LET THEM HAE THEIR OWN PRIVATE AGENCY WITHOUT ANY TAX DOLLARS BECAUSE THEY ARE USING THIS GOVT AGENCY AS A TOOL AGAINST CONSUMERS. THEY HIDE WHETHER MILK IS FULL OF DRUGS. THEY HIDE WHERE MEAT COMES FROM. THEY HIDE THE DATES SO YOU DONT KNOW HOW OLD THE PRODUCTIS. THEY HIDE THE FACT OF GMO CRAP THAT NOBODY IN AMERICA WANTS TO BUY BUT THEY WONT ALLOW LABELLIGN OF IT THIS AGENCY IS ANTI AMERICA. ABSOLUTELY ANTI AMERICA. IT NEEDS TO BE SHIUT DOWN. VILSACK SHOULD BE THROWN OUT ON HIS EAR FROM HIS MANAGEMENT OF USDA. THE ENTIRE THING IS SWAMP CROOKED. THIS AGENCY DESERVES AN F MINUS FOR ITS WORK. IT IS ANTI AMERICAN.
