Where do I send the application?

Mail the complete application, payment, and all required supporting documentation to: **National Marine Fisheries Service (F/SER14), 263 13th Avenue South, St. Petersburg, FL 33701.** To receive permits via overnight carrier, enclose a completed, pre-paid air bill and envelope. Please note using the prepaid overnight delivery option does not expedite permit processing; it only expedites delivery of your completed permit package.

What about reporting compliance?

NMFS will not renew or transfer a permit until all reporting requirements for the permit being renewed or transferred have been met (e.g., logbooks, the MRIP For-Hire telephone survey, etc.). To avoid delays, applicants are encouraged to comply with all reporting requirements before submitting a permit application.

 Send Coastal and Pelagic logbook report(s) to National Marine Fisheries Service, Research Management Division, Logbook Program, P.O. Box 491500, Key Biscayne, FL 33149-9915. Please direct questions concerning reporting Coastal and Pelagic reporting requirements to the Southeast Research Management Division at (305) 361-4581. You can also check the status for these logbooks online at https://grunt.sefsc.noaa.gov/vrsr/VesselReportingStatus.jsp.

What supporting documentation do I need?

Documentation or state registration: Include a copy of the vessel's valid USCG Documentation or, if not required to be USCG Documented include a copy of the vessel's valid State Registration, with the application.

Payment: Include a check or money order made out to the US Treasury. See "What is the Fee" on page 1 of these instructions for more information. Include a separate check or money order if requesting Floy tags for Golden Crab or Sea Bass pots.

Lease Agreement: Include a copy of the current lease agreement if the vessel is leased, rented, or leased-to-own. The lease must identify the vessel, the individual(s) or business(es) leasing the vessel, and the vessel owners as listed on the vessel's USCG Certificate of Documentation or, if not documented, the State Registration. The lease agreement must include a lease start date, and lease expiration date. The lease must run for a minimum of 7 months from the date your application is received. The lease may extend for many years if the lessee and lessor anticipate a long-term arrangement. Both the vessel owner(s) and the lessee(s) must sign and date the lease agreement.

Miscellaneous or uncommon documents: To transfer a Snapper Grouper Unlimited permit to an immediate family member, documentation proving the familial relationship will be required. To transfer a permit pursuant to will/probate of a deceased permit holder, copies of the will and court order will be required. For these sorts of unusual transfer transactions, we recommend you contact the Permits Office toll free at (877) 376-4877 to discuss the details of your particular situations.

A few words about renewals...

• Any change to the identity of the entities that own or lease the vessel are the wreckfish shareholders, or a change to the vessel to which the permits will be issued, means that the wreckfish permit cannot be *renewed*. In those instances, a *new* wreckfish permit may be obtained.
