Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to: PRA Officer, National Marine Fisheries Service, F/SER26, 263 13th Avenue South, St. Petersburg, FL 33701.

The National Marine Fisheries Service requires this information for the conservation and management ofmarine fishery resources. The data reported will be used to develop, implement, and monitor fishery management activities for a variety of other uses. Responses to this collection are required to obtain or retaina fisheries permit under the Magnuson - Stevens Act. Non-confidential information may be released via a NOAA Fisheries website. Non-confidential information means: Name, Street Address, City, State, Zip Code, Effective Date of Permit, Permit Types, Vessel Name, Vessel Identification Number, Vessel length, Vessel tonnage (gross and net), Vessel horse power, in the case of a "forhire" vessel the Passenger Capacity, or individual, corporate and lease holders of permits. All other data submitted will be handled as confidential material in accordance with NOAA Administrative Order 216-100, Protection of Confidential Fishery Statistics. Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection ofinformation displays a currently valid OMB Control Number..
