^{*} The total of items 5 and 6 cannot exceed 20% of the total ICDBG funds requested.

^{**} No more than 10% of ICDBG funds requested may be used for technical assistance. If funds are requested under this line item, a separate project description must accompany the application to describe the technical assistance the application intends to obtain. Only technical assistance costs associated with the development of a capacity to undertake a specific funded program activity are eligible (24 CFR 1003.206).

Public reporting burden for this collection of information is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This collection of information requires that each eligible applicant submit information to enable HUD to select the best projects for funding during annual competitions for the ICDBG Program. The information will be used by HUD to determine whether applications meet minimum screening eligibility requirements and application submission requirements. Applicants provide general information about the project which is preliminary to the review of the applicant's response to the criteria for rating the application. The information is essential for HUD in monitoring grants to ensure that grantees are making proper use of Federal dollars. Responses to the collection are required by Section 105 of the Department of Housing and Urban Development Reform Act (P.L. 101-235) as amended by the Cranston-Gonzales National Affordable Housing Act of 1990. The information requested does not lend itself to confidentiality.
