Submission Type:	Web
Number of Submissions:	1 *

## Document Optional Details

Status Set Date:	11/21/2018
Current Assignee:	NA
Status Set By:	Burroughs-Stokes, Kennya LaTrice (CDC)
Tracking Number:	1k2-96kk-d2uc
Page Count:	1
Total Page Count Including Attachments:	1

## Submitter Info

**Comment:**

The frequency of these data requests should be less frequent. States often pass the burden of compiling the data to the quitline vendors. There are several quitline vendors providing services and associated data to more than one state (often with limited personnel). Bi-annual or annual submissions of data should be considered for future NQDW projects. \*🌐
