Good Morning,

I believe these revised forms are much better than the current ones. It does seem clearer with the revisions. They are quite lengthy though, I wonder how that might be avoided but maybe it can't be. It also seems, and has been this way, that the Designation notice and the Notice of Eligibility are very similar, lengthy, confusing and cumbersome. Again, not sure how to avoid that but I do prefer the revised versions to the current ones as they are easier to follow and complete.

Thank you
