**ACTION:** Fall 2023 Semiannual Agenda of Federal Regulations.

**Summary:** The Office of the National Cyber Director is pleased to file its first Regulatory Agenda submission. The purpose of the Fall Regulatory agenda is to inform the public about actions that are currently under review, being proposed, or recently issued, so that the public can participate effectively in ONCD's regulatory process. Separately, ONCD has published two Requests for Information in the Federal Register on policy matters that may lead to a published report, but not regulations.
