Re: Request for Information Related to CDC's Agency Forms Undergoing Paperwork Reduction Act Review (OMB Control No. 0920-1181)

Dear Mr. Zirger:

Airlines for America ("A4A"), on behalf of its members,¹ appreciates the opportunity to provide comments regarding the Centers for Disease Control and Prevention ("CDC") Agency Forms Undergoing Paperwork Reduction Act Review ("PRA Review") for the Airline and Traveler Information Collection: Domestic Manifests and the Passenger Locator Form (42 CFR parts 70 and 71) ("Traveler Information Collection").² To provide comprehensive and invaluable input for the CDC's information collection, we respectfully request a copy of publicly available information and documents related to the PRA Review, as further described below.³

Without an opportunity to review the information collection plan, instruments, and the requested additional information on the proposed project, A4A cannot provide meaningful comment to the PRA Review. Specifically, we request the following:

¹ A4A's members are Alaska Airlines, Inc.; American Airlines Group, Inc.; Atlas Air, Inc.; Delta Air Lines; Federal Express Corp.; Hawaiian Airlines; JetBlue Airways Corp.; Southwest Airlines Co.; United Continental Holdings, Inc.; and United Parcel Service Co. Air Canada is an associate member.

² CDC Agency Forms Undergoing Paperwork Reduction Act Review, 85 Fed. Reg. 23,357 (Apr. 27, 2020) (hereinafter "PRA Review").

³ The PRA Review states "[t]o request additional information on the proposed project or to obtain a copy of the information collection plan and instruments, call (404) 639-7570." The undersigned called the number listed on the PRA Review on April 27, 2020 at 09:25 AM ET, was instructed to call your office, and called your office at 09:25 AM ET on April 27, 2020, leaving a voice message requesting the information requested herein and a request to be contacted. As the CDC has previously instructed for our inquiries for information related to other Paperwork Reduction Act reviews, we are submitting this written request. At the time that this request is submitted, the OMB docket for the PRA Review does not have an option to provide comments online; therefore, we are submitting this letter by email to wtj5@cdc.gov, which is listed for the Agency Contact in the OMB docket. When possible to do so, we will submit this request to the OMB docket 0920-1181.

- The “information collection plan” for the Traveler Information Collection;
- To the extent not available in the online ICR – Agency Submission,⁴ all “instruments” for the Traveler Information Collection;
- Information and documents that support the following assertions, including the methodology and assumptions that the CDC used to make such assertions:
 - “The total number of hours requested as part of this 225,734”;⁵ and
 - Each number of respondents, number of responses per respondent, and average burden per response (in hours)) in the PRA Review’s table titled Estimated Annualized Burden Hours.⁶

The CDC may provide the information and documents by email to gkeithley@airlines.org.⁷ Given the limited time available to comment on the PRA Review, we respectfully request that the CDC provide information and documents as they are identified and not delay to send together.

Thank you for your consideration. We look forward to providing the CDC with comprehensive and well-informed comments for the PRA Review. Please send any questions regarding these requests to gkeithley@airlines.org.

Respectfully submitted,

Graham Keithley
Assistant General Counsel
