## General Comment

Good news! Presidential Medal of Freedom winner and Certified Nincompoop Rush Limbaugh has dissected and analyzed the "coronavirus thing":

"Folks, this coronavirus thing, I want to try and put this in perspective for you. It looks like the coronavirus is being weaponized as yet another element to bring down Donald Trump. Now I want to tell you the truth about the coronavirus. You think I'm wrong about this? Yeah, I'm dead right on this. The coronavirus is the common cold, folks." - Rush Limbaugh

So no worries about a pandemic nor the stock market. It should all be smooth sailing. Of course this is the guy that believes various Vince Foster conspiracy theories, that Obama tried to cancel the 2012 election, that a leftist killed people at NZ mosques to set up conservatives to take the fall. In other words a Certified Nincompoop.
