### The Privacy and Paperwork Reduction Acts

The Social Security Administration is authorized to collect the information on this form under sections 205(a), 223(d) and 1631(e)(1) of the Social Security Act. The information on this form is needed by Social Security to make a decision on the named claimant's claim. While giving us the information on this form is voluntary, failure to provide all or part of the requested information could prevent an accurate or timely decision on the named claimant's claim. Although the information you furnish is almost never used for any purpose other than making a determination about the claimant's disability, such information may be disclosed by the Social Security Administration as follows: (1) to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal Laws requiring the release of information from Social Security records (e.g., to the General Accounting Office and the Department of Veterans Affairs); and (3) to facilitate statistical research and such activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices.

PAPERWORK REDUCTION ACT: This information collection meets the requirements of 44 U.S.C. § 3507, as amended by Section 2 of the <u>Paperwork Reduction Act of 1995</u>.
