RE: Draft 2010 Plan Benefit Package (PBP) and Formulary Submission package

Dear Ms. Harkless,

Below are CIGNA HealthCare Medicare's comments relating to the draft 2010 Plan Benefit Package (PBP) and Formulary Submission package published for public comment in the federal register on October 10, 2008.

**Section: Part D-General Screen II**

Currently shows as: Are there any drugs on your formulary for which access is limited to certain pharmacies? Yes or No.

**CIGNA's Comment:** Why does CMS offer this as a yes/no question when it should default to Yes (since CMS mandated this for 2009 Bid)?

If you need additional information related to these comments, please contact me at 615.792.1313.

Sincerely,

Linda Potts  
Compliance Manager, CIGNA Medicare Services
